

**Tumwater School District
Board Policy**

SCHOOL IMPROVEMENT PLANS

Each school shall develop and adopt a school improvement plan or process, with annual review for progress and necessary changes. Each school shall submit its plan to the Board of Directors for annual review and approval.

Each school improvement plan or process shall be data driven and shall promote a positive impact on student learning. A positive impact on student learning is defined as promoting the continuous achievement of the state learning goals and the essential academic learning requirements. A positive impact on student learning also includes the achievement of nonacademic growth in areas like public speaking, leadership, interpersonal relationship skills, team work, self-confidence and resiliency. The goal is for students to meet the goals of Washington's basic education system: to become responsible citizens, to contribute to their own economic well-being and that of their families and communities, and to enjoy productive and satisfying lives.

Each school improvement plan or process shall be based on a building self-review that includes the active participation and input of building staff, students, parents and community members.

Each school improvement plan or process shall address the following elements:

- Characteristics of effective schools as identified by the Office of the Superintendent of Public Instruction and the Educational Service District (a plan may focus on one or several of the characteristics for up to three years);
- Safe and supportive learning environments;
- Educational equity factors including gender, race, ethnicity, culture, language and physical and mental ability;
- Use of technology;
- Parent and community involvement; and
- Other factors identified by the school community for inclusion in the plan or process.

Any school participation in a program of school improvement assistance through the state accountability system or the federal Elementary and Secondary Education Act shall constitute sufficient compliance with this policy.
