

6. Creative Communicator

Students communicate clearly and express themselves creatively for a variety of purposes using the platforms, tools, styles, formats and digital media appropriate to their goals. Students:

- choose the appropriate platforms and tools for meeting the desired objectives of their creation or communication.
- create original works or responsibly repurpose or remix digital resources into new creations.
- communicate complex ideas clearly and effectively by creating or using a variety of digital objects such as visualizations, models or simulations.
- publish or present content that customizes the message and medium for their intended audiences.
