2. If the resident district fails to provide appropriate educational, Health/Immunization, and Special Education/504 services.
3. Whether the student's disciplinary records or other documentation indicate a history of violent or disruptive behavior, convictions for offenses or crimes, or gang membership (a gang means a group of three or more persons with identifiable leadership that on an ongoing basis regularly conspires and acts in concert mainly for criminal purposes).
4. Whether the student has been expelled or suspended from a public school for more than ten consecutive days.
5. Whether acceptance of a nonresident student would result in the New Market Skills Center experiencing a financial hardship.
6. Whether the student has a history of school attendance issues/concerns that would adversely affect his or her ability to fully benefit from the transfer being requested.
7. Whether the student was previously enrolled in the District without having followed required procedures for enrollment as a nonresident student.
8. Whether enrollment of a nonresident student would conflict with a district innovation academy cooperative under RCW 28A.340.080.
9. Whether the student has repeatedly failed to comply with requirements for participation in an online school program, such as participating in weekly direct contact with the teacher or monthly progress evaluations.
10. Whether a student has failed to file a valid Intent to Home School at the nonresident district.
11. Whether a student continues to display behavioral concerns or attendance issues while enrolled in New Market Skills Center.
