As you watch the video program, answer the following questions.

1. In the video, they share the stories of many American soldiers who witnessed the horrifying conditions they uncovered in eastern Europe. Pick one of the soldiers and write a summary of what they uncovered and how impacted them.

2. After hearing reports about the concentration camps, General Eisenhower traveled to see them in person. Why?

3. Describe some of the emotions felt by those who had survived the concentration camps. (They interview several people.)

4. Dr. Leon Bass, who was a soldier during WWII, often shares his story about what he witnessed at the end of WWII. What is his ultimate goal in sharing this story over and over?

--The End--
