(Start at 2 minutes and 40 seconds into the program)

1. What happened to Germany at the end of WWI as a result of the Treaty of Versailles? How did many average Germans feel about this? (Describe their emotions)

2. Describe the economic situation in Germany after WWI.

3. In the years after WWI, Germany had established a new democratic government with many political parties/factions. Describe how these factions interacted in Germany.

4. Why was Adolf Hitler put in prison in 1923?

5. When arson destroyed the German Parliament building, who was blamed? How did the German leaders respond to this? What happened to civil rights and constitutional protections?

6. What happened to Hitler's political opponents?

7. How did the Nazi's set out to "win over" the German people? (the word starts with a "p")

(The End)
