"Who Made America" Internet Assignment **Name**_____ **Period**____

Go to:

https://www.pbs.org/wgbh/theymadeamerica/whomade/innovators_hi.html

You can choose any five inventors/innovators. For each one, answer the questions below:

Who – What –Why? Answer the following questions for each of the inventors:

1. **Who was the inventor, and what did they invent? Also, list the year(s).**
2. **Why was this invention needed?**
3. **How did this invention improve the task that it was designed for?**
4. **What impact did this invention have on society or our country?**
5. **What inventions came along that replaced or improved the task that they were invented for?**

You can write your answers below. Remember to answer the five questions for each inventor. If you need more space to write your answers, feel free to write on the back of this sheet too.

Inventor #1

Inventor #2

Inventor #3

Inventor #4

Inventor #5
