

April 5, 2019

Dear CV Families,

Conestoga Valley School District is fortunate to receive funds from the Federal Government through the Title I program. These funds are used to operate the Title I Reading and Math Programs in three of our elementary schools and the middle school.

It is important for our school district to have the input of our families for planning the Title I program, as well as for the use of other federal funds (Title IIA, Title III, and Title IV). You have the opportunity to have a voice in these services. A meeting will be held on Thursday, May 2 at 7:00PM in the District Office Board Room at 2110 Horseshoe Road. We welcome your suggestions regarding the ways in which we spend our federal funds.

The amount of money Conestoga Valley School District receives through Title I is based on the number of families who qualify for free and reduced lunches. Therefore, it is important for all families to complete an application in September and return it to school. Although the funding is tied to family income, our program is not limited in this way. We are fortunate to provide reading and math support to all students who are academically in need of these services.

I look forward to meeting with you and hearing your ideas on May 2. Please RSVP by Monday, April 29. In addition, feel free to call me with any questions at 397-2421 x0003.

Sincerely,

Kelly K. Cartwright, Ed.D.
Assistant to the Superintendent - Elementary Education
