Our Support Staff

It takes MANY hands to make the day run smoothly here at Smoketown! We have lots of Support Staff in the building working with teachers to care for each student. From reading/math support, learning support, speech, ESL, emotional support, classroom support, small group learning, counseling and behavior support.... you name it, they do it! We appreciate all the ways they aid our school and make it the most nuturing environment, alongside the teachers, that it can be.
