CONESTOGA VALLEY HIGH SCHOOL

**JILL D. BRENSINGER
TRIMBATH, M.S.**
CLASS OF 1988

Before taking on her current role as director of admissions at Veritas Academy, Trim bath worked as a genetic counselor with some of the top names in medicine. Trim bath served as a genetic counselor at

Johns Hopkins, where she also served as a faculty member responsible for publishing articles in the *New England Journal of Medicine*. She was involved in the White House Colon Cancer Initiative, where she met with Katie Couric and Hillary Clinton. In her spare time, Trim bath serves as a Sunday School teacher at Westminster Presbyterian Church and teaches music to children.

TYLER E. BENEDUM, PH.D.
CLASS OF 1994

Benedum is the Vice President of CMC Development for Avid Radiopharmaceuticals. Avid Radiopharmaceuticals developed Amyvid, a groundbreaking medicine used to detect Alzheimer's Disease in living patients. Before Amyvid, the disease could only be officially diagnosed in patients

after deceased patients underwent an autopsy. Benedum joined Avid Radiopharmaceuticals as its second employee after earning his Ph.D. as a research chemist and played a key role in expanding the company and developing the Amyvid compound. Benedum is also active in his sister's nonprofit organization, Today is a Good Day.

DAVID J. GROFF
CLASS OF 2000

Groff began work at Clark Associates in 2004 after graduating from Penn State University, eventually working his way up through the company and today serving as president of the WEBstaurant Store division, which employs more than 580 people at distribution centers in five states, including a \$5

million, 52,000 square foot headquarters in Lititz. Groff also served on the board of the Strasburg Jaycee Park and helped lead a campaign to build a new playground facility.
