The video cameras may be used on buses used for transportation to and from school, field trips, curricular events and extracurricular events. The contents of the videotapes may be used as evidence in a student disciplinary proceeding.

**Student Records**

The content of the videotapes is a student record subject to board policy and administrative regulations regarding confidential student records. Only those persons with a legitimate educational purpose may view the videotapes. In most instances, those individuals with a legitimate educational purpose may be the superintendent, building principal, transportation director, bus driver, and special education staffing team. A videotape recorded during a school-sponsored trip, such as an athletic event, may also be accessible to the sponsor or coach of the activity. If the content of the videotape becomes the subject of a student disciplinary proceeding, it may be treated like other evidence in the proceeding.

Videotapes will only be retained if necessary for use in a student disciplinary proceeding or other matter as determined necessary by the administration. Parents may request to view videotapes of their child if the videotapes are used in a disciplinary proceeding involving their child.

The following notice will also be placed on all school buses equipped with a video camera:

This bus is equipped with a video/audio monitoring system.
