Principal's Message

On behalf of the LMS staff I want to welcome everyone back for the 2023-24 school year. The start of a new school year is always filled with excitement as we look forward to getting to know all of our new students. Let's celebrate the the power of education and the limitless potential within every student.

We are also excited to welcome new staff to Lakewood.

- Alexis Carraway will be teaching FACS
- River Weaverling will be teaching Tech Ed
- Regina Bicknell will be teaching 8th Science
- Aaron Tompkins will be teaching Band
- Billy Graf will be teaching 7th English
- Tad Remy will be a roving teacher
- Laine Kinion will be teaching Social Studies and Study Skills
- Diana Boley will be teaching 6th Math and English
- Ashley Humiston will be teaching 6th Science
- Darci Schroeder will be teaching Science
- Jessica Regenhardt will be our attendance clerk

Together, we can ensure that this year is not just good, but truly great!

- Scott Chrisman, Principal

Receive Important Alerts

In order to get text messages (cancellations, emergencies, and other communications) from Lakewood Middle School and Salina Public Schools, please make sure your cell phone information is up to date in Skyward.

School Attendance

Do you need to call in your student's attendance or let us know of an upcoming absence or tardy? If so, please call the Attendance Office at 785-309-4000 or email our attendance secretary at jessica.regenhardt@usd305.com. The attendance office hours are 6:45 a.m to 3:15 p.m.

Pick Up and Drop Off

We would like to remind all of our families to pay close attention and drive slowly through our crosswalks. If families could drop their students off on the curb closest to the school sidewalk it will limit the amount of students in the street. Please remind your students to use the crosswalk.

Lunch ID's

Student's received a lunch ID card at the beginning of the year. It is important that they have this, or their lunch ID memorized each day. Students will receive a new ID after picture day in September. If a student needs a new ID they will need to see Mrs. Kinion in the library. Students will be charged for lost ID's.

Steps to Success: Communicating with Your Child's School

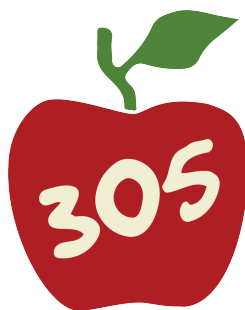

We strive to be the best place to learn. The only way we can improve is to know about concerns so we are able to address them. Here are some tips for communicating with your child's school when concerns arise.

The fastest way to a positive result is to start with the people closest to the situation in the school. Talk with the teacher or coach about your questions and concerns before going to the principal. Parents and guardians are encouraged to reach out to teachers and school staff by:

- Calling the school's phone number. Because they are teaching, you often will need to leave a message for your child's teacher or coach.
- Emailing the teacher or coach directly. All teacher emails are available on our school website. We want to be responsive to parents' questions and requests for information. Our staff will respond to your call or email as soon as possible, in most cases within 2 school days.

If you have had a conversation with your child's teacher and the principal and are still needing assistance, the director of secondary programs will be able to provide additional support.

We are excited for this new school year and look forward to partnering with you to support a great school experience for your student.

Examine a su Estudiante para Detectar Síntomas de enfermedad

Es importante evaluar a su estudiante para detectar enfermedades todos los días antes de venir a la escuela. Mantenga a su estudiante en casa si está enfermo con alguna enfermedad. Al asegurarnos de que los estudiantes estén sanos cuando llegan a la escuela, todos podemos ayudar a prevenir enfermedad que interrumpen el aprendizaje. Gracias por tu apoyo!

Pasos para el Éxito: Comunicarse con la Escuela de Su Hijo

Nos esforzamos por ser el mejor lugar para aprender. La única forma en que podemos mejorar es conocer las preocupaciones para poder abordarlas. Estos son algunos consejos para comunicarse con la escuela de su hijo cuando surjan preocupaciones. La forma más rápida de obtener un resultado positivo es comenzar con las personas más cercanas a la situación en la escuela. Hable con el maestro o entrenador acerca de sus preguntas e inquietudes antes de ir al director. Se alienta a los padres y tutores a comunicarse con los maestros y el personal de la escuela por:

- Llamando al número de teléfono de la escuela. Debido a que están enseñando, a menudo deberá dejar un mensaje para el maestro o entrenador de su hijo.
- Enviar un correo electrónico al maestro o entrenador directamente. Todos los correos electrónicos de los maestros están disponibles en el sitio web de nuestra escuela.

Queremos responder a las preguntas y solicitudes de información de los padres. Nuestro personal responderá a su llamada o correo electrónico lo antes posible, en la mayoría de los casos dentro de los 2 días escolares. Si ha tenido una conversación con el maestro de su hijo y el director y aún necesita ayuda, el director de los programas de primaria o secundaria podrá brindarle apoyo adicional. Estamos emocionados por este nuevo año escolar y esperamos asociarnos con usted para apoyar una gran experiencia escolar para su estudiante

Directory Information

In accordance with Family Educational Rights and Privacy Act (FERPA), USD 305 has designated certain information as directory information. This information is considered public information which may be released from the school district without your prior consent. Please inform your school building in writing that any or all of the directory information should not be released without your prior consent (by September 8, 2023 to ensure it is not included in a parent directory). The following information is considered directory information:

Medication At School

When the administration of a medication either prescribed or over-the-counter is required during school hours, the school can provide the service. Kansas law requires written permission from the parent and a signed order from the physician for prescription medication.

Prescription Medication: The medication is to be brought to the school in the original container appropriately labeled by the pharmacy, or physician, stating the name of the medication, the dosage, and the time to be administered.

Over the Counter Medication: LMS requires only a parent signature for dosing as recommended. Please send over-the-counter medication in a small bottle. We do not stock over-the-counter medication in the building.

Lakewood S.T.a.R. Culture Incentive Schedule

The students and staff at Lakewood Middle School are working hard to build the S.T.a.R. Culture in everything they do. S.T.a.R. represents Safe, Teachable, and Respectful. Incentives have been put into place to show appreciation towards our student body and their efforts.

Administration "Thank You" Cards

Teachers nominate students who show S.T.a.R. characteristics through the school day. Administration will present that student with a Thank You card that can be turned in the office for an incentive.

Lakewood "STaR Belt"

Students who are consistent and exemplify S.T.a.R. characteristics will have pictures taken wearing our LMS Championship STaR Belt to be used in our social media, bulletin boards, etc. They will also receive an incentive from the office.

Lunchroom Behavior Pizza Incentive

A class at each grade level with the best behavior in the lunchroom at the end of the quarter will receive a pizza catered lunch with their classmates.

First Quarter Zero Tardies Incentive

All students who receive zero tardies between first and eighth periods during first quarter will receive the incentive being offered by the office.
