

Growing Creative Minds and Caring Hearts Heusner Elementary

A Note from the Principal

We are excited to announce that Heusner students, families and staff are going to join together for an interactive project. During April and May, students and families will read a book together as a school community. Here is how it will work: A book will be sent home to each Heusner family. We are keeping the book title a secret until the book reveal on Thursday, April 11 at the PRIDE Assembly. This project is part of a unique, national family literacy program called One School, One Book. The goal is to strengthen connections between home and school. Families will read and discuss the book at home and in school. Students will experience various extension activities and trivia questions based on the book. We hope that everyone will enjoy this connected reading experience.

Heusner Mission

The Heusner Community is committed to creating a respectful and engaging environment that inspires the love of lifelong learning where all students will become powerful thinkers, effective collaborators, and empathetic citizens in preparation for a successful future.

At Heusner students are our first priority, therefore...

- We believe that all students should experience and achieve success.
- We believe in being innovative to ensure student success.
- We believe in the importance of building relationships and developing the whole child to impact school success.

Heusner, growing creative minds and caring hearts!

Will your child be five years old by August 31, 2024? If so, kindergarten registration is the next step on their school journey. We are excited to meet your child and partner with you in nurturing your child's development!

Register now on the district website. After registering, the school will reach out with more information and to invite you to attend their Kindergarten Roundup!

Library Policies

Library Catalog Access for Families:

Parents have access to the library materials currently checked out by their student(s). For access, parents will have their student log into Destiny, the library card catalog:

1. Go to the school's website.
2. Under the Our School tab, click on Library.
3. Under Library, click on the school's library Card Catalog tab.
4. For your student to log in, they can click the Log In button on the top right corner.
5. Next, click on the Sign in with Google button.

Process for Parental Oversight:

Library media specialists should be contacted directly if parents would like to provide expressed permission before their student checks out any book. At elementary, the library media specialist will notify parent by email or phone regarding the book the student would like to check out to get permission. At middle school and high school, the student will provide their parent with the title of the book they wish to check out. The parent will contact the library media specialist by email or phone to give permission.

Checking Out Materials and Loan Periods:

Elementary:

Students may check out books for a two week period. (The number of books a student can check out depends on the student's grade level.)

Middle School:

Students may check out 3 books for a three week check out period.

High School: Students may check out 8 books for a three week check out period
