

2024-2025 Pottsgrove School District Athletic Registration Student Grades 7-12

Dear Pottsgrove Families,

Registration for 2024-2025 Pottsgrove Interscholastic sports is now open.

For the 2024-2025 school year, the Athletic Department will utilize [Student Central](#) for all athletic registrations. The student-athlete and parent/guardian must complete this online registration to participate in interscholastic sports at Pottsgrove School District. This online registration platform will allow students and families in grades 7-12 to register for sports, complete all required athletic department forms, and PIAA CIPPE Sections 1-8 (athletic physical exam forms). The athletic department will no longer collect paper forms.

Online Registrations are due for Fall Sports on the following dates:

Senior High - Aug 1, 2024

Middle School- Aug 15, 2024

Submitting forms after this date could result in a delay in your start date.

REMINDER: All students must have a completed Athletic Physical on or after May 1, 2024, in order to participate.

Please make sure when you create your account that you select the correct school: **Pottsgrove School District**.

It is recommended that the parent/guardian create their account first, and then create and link the student account together. Please make sure both the parents and students sign all the required areas of the forms.

Below is information for students and families on how to set up their accounts and complete their registrations. We recommend that when possible, all students utilize their school district-issued email when setting up their account.

Questions regarding sports physicals and sign-ups should be directed to the Athletic Office:

Mr. Anspach - Director of Athletics sanspach@pgsd.org

Mrs. Winner - Administrative Assistant to Athletics dwinner@pgsd.org
