

Dear Parent or Guardian,

We are very excited to provide a Southington Public Library card to your child. Their library card will give them free access to print, audio, video, and databases designed to engage them. Answer the below questions. *(All information is strictly confidential.)* Students will need an email address not connected to the schools to use online resources. You can also scan the below QR code to apply online.

Student's Name: _____

School: _____

Address: _____

City: _____ State: _____

Zip: _____ Phone: _____

Student Email: _____

Student's Date of Birth: _____

Items checked out on this card are the responsibility of the parent/legal guardian. I understand that library cards provide access to all the electronic resources of the Southington Public Library.

Parent/Guardian Signature _____

The physical card will be at the Circulation Desk. It can be picked during open hours with picture I.D. If you provided an email not connected with the school, we can email you the card number. Your child will still have full privileges at the Southington Public Library. Please contact Shelley Holley at holleys@southington.org or 860-628-0747 ext 6505 if you have any questions.
