Stephen Louis Heck

January 23, 2022

Stephen Louis Heck 65, of Louisville, died Sunday Morning, 1/23/22, at Norton Audubon Hospital.

He retired as a Fire & Life Safety Inspector at The University of Louisville Health Sciences Campus. Was a lifelong member of The Bonnycastle Club and The George J Howe Red Barn, both of Louisville KY.

He was preceded in death by his Father, Virgil James Heck, Mother, Mary Nally Heck, and brothers Michael R Heck and Daniel L Heck. He is survived by his wife, Linda Thompson Heck, one brother, James V Heck and one sister, Beth H Russell; two daughters, Nally H Wickliffe (Doug Wickliffe,) Sarah F Heck (Tony Lombardi,) and one son, Robert Douglas Heck (Whittney Perdue); and five Grandchildren, Connor Betz, Cole Wickliffe, Aedan Betz, Dylan Heck, & Ryder Heck; and a long list of extended family and friends.

Steve enjoyed life to its fullest; always with close friends, family, and lots of good music nearby. Music was an integral part of his character. From messing around on his own harmonica and tinkering with his ukulele, mandolin, and guitars when his kids were little; cruising on Hecks Deck at Lake Cumberland with classic rock blasting the speakers; enjoying all types of live music from the small bands at local dive bars to the big sold out rock shows. One of his favorite pastimes in his most recent years was to go see live music with the "Lovely Linda" and their many friends.

Anyone that knew Steve, knows he was a die hard romantic and a big softy. His

family and friends are so glad he found his wife Linda; the love of his life. The happiness he found with Linda was not only obvious in his puppy-dog eyes when he looked at her, but palpable to those that watched the two of them interact in fun, laughter and unconditional love. To watch the man we all cared for so deeply become so happy these last six years of his life, is a gift of gratitude any loved one could only wish for.

Steve was incredibly smart with a bright engineering mind. He loved keeping his mind fresh by doing crossword puzzles, watching PBS and listening to NPR. He could fix just about anything. Always knew the answers to Trivial Pursuit & Jeopardy questions and wasn't afraid to tell anyone just how smart he really was! The "Heck" name was a great source of pride for him. He loved his family and its long list of members. He was so proud of his three children, Nally, Sarah & Doug, and loved to spend time with his grandchildren, Cole, Connor, Aedan, Dylan and Ryder. He never missed the "Nally Rally" family reunion, the first Sunday in August each year (until Covid.) With many aunts, uncles, cousins, nieces & nephews, its hard for most to keep even the names straight, but Steve could remember not only their names, the names of all their immediate family members, their hobbies, occupations, and possibly even the last thing they spoke about. This same love and attention was also extended to just about everyone he ever met. There were no strangers to Steve. He had an uncanny way of making someone feel good about themselves and would enjoy long conversations with a person he just met or his oldest and closest friends. He nourished his many friendships by spending time at the Back Door, with the "Unstable Table"; rotating song choices at the Howes while hanging in "Georges General Store"; & dancing the night away to live music at many watering holes around Louisville.

Steve was a fun, kind, loving man and will be greatly missed by his immeasurable number of friends and family. Heaven just got a lot more fun!

He will be cremated at Bosse Funeral home and returned to the earth at Lake Cumberland. Due to current spikes in COVID, there will not be a funeral service. A celebration of life will follow once we are able to safely gather. Expressions of sympathy can be sent to 1611 Spring Dr. 3E, Louisville KY 40205.

Joseph “Joe” Marion Herbig

January 7, 2017

HERBIG, Joseph Marion (“Joe”), 60, peacefully passed away on January 7, surrounded by his three favorite girls, from complications stemming from brain cancer, which he bravely battled throughout the last nine months. Joe lived an exemplary life as a loyal husband, father, brother and friend, all with a selfless and kind spirit. Originally from Louisville, KY, he attended Saint Xavier High School and the University of Louisville, from which he received his Masters in Mechanical Engineering. Joe married his high-school sweetheart, Joan, in 1979. They moved to Raleigh, NC, then Lexington, KY before settling in the Atlanta area in 1986. Joe worked for IBM for over 20 years before focusing on raising his daughters, Elizabeth and Katie. Joe spent time over the past two decades managing and selling real estate.

Joe and Joan had a special bond and cherished the time they spent together. They loved Louisville Cardinal sports, exercising, music and, most importantly to Joe, spending time with their large extended family and his beloved four-legged, Abby. Joe was an avid fly-fisherman, a master of the Big Green Egg, a quick-witted jokester, and quite possibly the hardest working man in Alpharetta. He enjoyed his food, could clear refrigerators of any leftover backlog, and had an affinity for White Castle hamburgers. He was a sweet man that led by example and was known most notably for his contagious smile and peaceful demeanor. His common sense and strong spirituality allowed him to serve as a mentor to many in the Alpharetta community. To say he was loved by many is an understatement; he was loved by whoever was lucky to know him.

He was preceded in death by his parents, Frank and Marie. He is survived by wife Joan (Elbert); daughters Elizabeth Herbig of Atlanta, GA and Katie Sorice (Joe) of

Chicago, IL; sisters Marilyn Yurt (Walter) and Mary Ray (Mike) of Louisville, KY, Rita Rose (Marc) of McKinney, TX; brother George of Louisville, KY; and a host of in-laws, nieces and nephews. Mark J. Wettle

May 18, 2020

Louisville - 64, passed away unexpectedly on Monday, May 18, 2020.

Mark was born on December 18, 1955 to the late Joseph Conrad and Mary Helen Wettle. He graduated from St. Xavier High School, University of Louisville, and University of Kentucky School of Law. He practiced criminal defense law in Louisville for over 37 years.

Mark was a voracious reader, a critical thinker, an excellent cook, and a great confidant. He loved music and he and his sister rarely missed a Waterfront Wednesday concert. He loved to explore new places; Mark and his brothers and nephews were always planning their next cross-country adventure or camping trip to Red River Gorge. He and his best friend, Michael, discussed books, philosophy and the state of the world and enjoyed road trips to New Orleans. Mark could find the best restaurants, bars, and bookstores in any city. He never met a hammock, a martini, or a bad joke that he didn't like.

Mark was devoted to Sue (Simpson), his wife of 32 years and started each day by asking her, "Honey, what can I do for you today?" We will all miss him every single day.

In addition to his parents, Mark was preceded in death by his nephew, Kevin Wettle, and too many adored dogs to name.

He is survived by his loving wife, Sue and their dogs Ubu and Edie; his siblings, Susan Wettle, Gary Wettle (Linda), and Glen Wettle (Terri); brother-in-law, Preston Simpson (Burne); nephews, Chris Wettle (Cindy) and Mitch Wettle; nieces, Logan Plum (Matt), Marie Knapp (Josh) and Carolyn Martin (Doug); great niece and

nephew, Jennie and Benjamin Wettle; and dear aunts, uncle, cousins and devoted friends.

A memorial visitation will be held from 1 - 4 p. m. Saturday at Embry-Bosse Funeral Home, 2723 Preston Highway.
