*A campus of Bensalem, Bristol Borough, Bristol Township, Morrisville, Neshaminy & Pennsbury School Districts*

Dear Bucks County Technical High School Students and Parents,

I hope this message finds you well as we approach the conclusion of the school year. I am writing to inform you about an important Monday, June 10th schedule change.

Only 9th, 10th, and 11th-grade students who need to complete make-up exams should report to school on this date. These students should proceed directly to the gymnasium upon their arrival. Please note that this day will follow an early dismissal schedule, with students arriving at the normal time and departing at 10:30 AM.

This adjustment is necessary to assist with the on-time completion of our summer construction project and prepare the school for the next academic year. Your flexibility and understanding are greatly appreciated as we implement these important changes to our schedule.

Thank you for your cooperation and patience with this notice. We wish all our students the best of luck on their exams and look forward to successfully completing the school year.

Sincerely,

Hank DeGeorge  
Administrative Director  
Bucks County Technical High School

Mark Holtzman  
Assistant Director  
Bucks County Technical High School
