[info@caseysclubhouse.org](mailto:info@caseysclubhouse.org) or 724-986-9378

The Miracle League of the South Hills is committed to giving players with special needs the major league treatment, with a field and league uniquely designed for them. The facility is completely handicap accessible and games are adapted to players' unique abilities and interests. Each noncompetitive player is paired with a buddy who helps him or her to field the ball, run the bases, or just cheer them home! The Miracle League isn't just about baseball but the community it creates.
