## THE SCHOOL & POPULATION

Antelope High School is a public comprehensive school located in the community of Antelope, California. Antelope is primarily a suburban middle class community. Antelope High School serves grades 9-12 and fully accredited by the Western Association of Schools and Colleges (WASC) with the most recent WASC approval occurring in 2018.

Antelope High School operates on a four-by-four block schedule, with the school year split into two 18-week terms. Students are enrolled in four classes each term, which is equivalent to two traditional semesters. Therefore, each semester-long course at Antelope High School is equal to a yearlong course in a traditional high school.

The student population for 2022-2023 is approximately 1693 students with a senior class of 385.
