**A student’s name appearing with the Hidden Lake High School Class of 2024 does not necessarily denote completion of all graduation requirements.

Graduation from high school is a milestone in the lives of our students and their families. The dignity of the occasion can best be observed by refraining from whistling, shouting or applauding for a particular student. Congratulations can best be expressed by withholding applause until the entire graduating class has been recognized. Your cooperation will allow those in attendance to hear the name of each graduate.

La graduación de preparatoria es una meta importante en las vidas de nuestros estudiantes y sus familias. La solemnidad de esta ocasión se observa mejor si nos abstenemos de silbar, gritar o aplaudir a un estudiante en particular. Sus felicitaciones se podrán expresar mejor absteniéndonos de aplaudir hasta que el último estudiante haya sido reconocido. Su cooperación permitirá que todos los asistentes escuchen el nombre de cada graduando.
