The summary schedule reports all expenditures paid by the District, either reimbursed to or paid on behalf of, the Superintendent and Board Members for meals, lodging, transportation, motor fuel, and other items separately. The schedule also reports reimbursements paid to the District from other organizations on behalf of the Superintendent or Board Members. In some instances, expenditures - such as registrations, hotel deposits, or air fare - require prepayment and are paid and posted before the event occurs. This schedule does not include reimbursements for supplies, materials, and other costs that were purchased for the operation of the school district or allowances paid as part of the superintendent's contract.
