**CONSENT AGENDA ITEM
BOARD MEETING
December 8, 2020**

TOPIC: APPROVE BOARD OF EDUCATION MEETING MINUTES

BACKGROUND:

The Open Meetings Act (the “Act”) was adopted in 1967 with the sole intent of making governmental decision-making accessible to the public. (It was codified without substantive change as Government Code Chapter 551.) The “Act” requires meetings of governmental bodies (school district board of trustees) to be open to the public, except for expressly authorized closed sessions, and to be preceded by public notice of the time, place and subject matter of the meeting.

Section 551.021 of the Texas Government Code states that (a) A governmental body shall prepare and keep minutes of each open meeting of the body with the minutes containing the subject of each deliberation and indicating action taken on each vote, order or decision. Section 551.022 provides that the minutes are public records and shall be available for public inspection and copying on request to the governmental body’s chief administrative officer or designee.

In order to maintain compliance with Chapter 551 of the Texas Government Code and the Texas Open Meetings Act, the Board must approve each set of minutes presented. Upon approval, the minutes can then be made available to the public as an official record of a given meeting.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:

1. Approve Board of Education Meeting Minutes
2. Decline to Approve Board of Education Meeting Minutes
3. Remand to staff for further study

TOPIC: APPROVE AUTHORIZATION OF SUPERINTENDENT TO PURCHASE HVAC EQUIPMENT, INSTALLATION AND SERVICES TO INCREASE VENTILATION AT IDENTIFIED CAMPUSES

BACKGROUND:

The Fort Worth ISD Operations Department recognizes that Heating, Air Conditioning and Ventilation (HVAC) plays a crucial role in ensuring the health and comfort of all building occupants, especially during the coronavirus pandemic. The foundation of the District’s HVAC response is increased building ventilation. Increased ventilation is accomplished by opening fresh air dampers on air conditioning units and air handlers. This is done easily during warmer months when the units are cooling; however, units that only cool (heat is provide by another unit, centrally located) are typically deactivated during winter months to prevent cold air from leaking into the building without being regulated. This challenge can be solved by installing Variable Frequency Drives (VFDs) to adjust the amount of fresh (colder) air that is allowed into a building. The VFDs can be programmed to adjust fresh air intake based on outdoor temperature and/or on a programmed schedule.

Some campuses have air conditioners that provide fresh air during warmer months, and then are disabled during the cooler months - while heat is provided by other units that do not provide fresh air. Campuses with this scenario have been identified and will have the devices installed, as well as energy management controls to regulate them, along with associated services. Authorizing the superintendent to make these purchases allows available stock from various vendors to be utilized to accomplish the project in a timely manner.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:

1. Approve Authorization of Superintendent to Purchase HVAC Equipment, Installation and Services to Increase Ventilation at Identified Campuses
2. Decline to Approve Authorization of Superintendent to Purchase HVAC Equipment, Installation and Services to Increase Ventilation at Identified Campuses
3. Remand to staff for further study

SUPERINTENDENT’S RECOMMENDATION:

Approve Authorization of Superintendent to Purchase HVAC Equipment, Installation and Services to Increase Ventilation at Identified Campuses

BOARD MEETING

**TOPIC: APPROVE PURCHASE OF BIPOLAR IONIZERS FOR ELEMENTARY
CAMPUSES WITH ROOFTOP AIR CONDITIONING UNITS**

BACKGROUND:

To help combat the COVID-19 virus, we have increased the outside air flow on our heating, ventilation and air conditioning (HVAC) systems. Where possible we have installed filters with a Minimum Efficiency Reporting Value (MERV) of 13. This works well with our larger systems, but in some cases, using a MERV-13 air filter is too restrictive and causes air flow problems, specifically in the smaller individually packaged rooftop HVAC units. They are not capable of filtering air through a MERV-13 filter. The rooftop units that cannot operate with a MERV-13 filter will be retrofitted with bipolar ionization technology. This will treat the air with ions that will assist us in combating viruses and other pollutants.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:

1. Approve Purchase of Bipolar Ionizers for Elementary Campuses with Rooftop Air Conditioning Units
2. Decline to Approve Purchase of Bipolar Ionizers for Elementary Campuses with Rooftop Air Conditioning Units
3. Remand to staff for further study

“Company” shall mean Trane U.S. Inc. dba Trane.

1. Acceptance; Agreement. These terms and conditions are an integral part of Company’s offer and form the basis of any agreement (the “Agreement”) resulting from Company’s proposal (the “Proposal”) for the commercial goods and/or services described (the “Work”). **COMPANY’S TERMS AND CONDITIONS ARE SUBJECT TO PERIODIC CHANGE OR AMENDMENT.** The Proposal is subject to acceptance in writing by the party to whom this offer is made or an authorized agent (“Customer”) delivered to Company within 30 days from the date of the Proposal. If Customer accepts the Proposal by placing an order, without the addition of any other terms and conditions of sale or any other modification, Customer’s order shall be deemed acceptance of the Proposal subject to Company’s terms and conditions. If Customer’s order is expressly conditioned upon Company’s acceptance or assent to terms and/or conditions other than those expressed herein, return of such order by Company with Company’s terms and conditions attached or referenced serves as Company’s notice of objection to Customer’s terms and as Company’s counter-offer to provide Work in accordance with the Proposal and the Company terms and conditions. If such release is not received within 6 months after date of order receipt, the prices are subject to renegotiation, or at Company’s option, the order will be cancelled. Any delay in shipment caused by Customer’s actions will subject prices to increase equal to the percentage increase in list prices during that period of delay and Company may charge Customer with incurred storage fees.

Under no circumstances shall any retention be withheld for the equipment portion of the order. If payment is not received as required, Company may suspend performance and the time for completion shall be extended for a reasonable period of time not less than the period of suspension. If such conditions differ materially and cause an increase in Company’s cost of, or time required for, performance of any part of the Work, Company shall be entitled to, and Customer shall consent by Change Order to, an equitable adjustment in the Contract Price, contract time, or both.

13. Pre-Existing Conditions. Company is not liable for any claims, damages, losses, or expenses, arising from or related to conditions that existed in, on, or upon the Work site before the Commencement Date of this Agreement ("Pre-Existing Conditions"), including, without limitation, damages, losses, or expenses involving Pre-Existing Conditions of building envelope issues, mechanical issues, plumbing issues, and/or indoor air quality issues involving mold/mould and/or fungi. Customer warrants and represents that, except as set forth in a writing signed by Company, there are no Hazardous Materials on the Work site that will in any way affect Company's Work and Customer has disclosed to Company the existence and location of any Hazardous Materials in all areas within which Company will be performing the Work. Should Company become aware of or suspect the presence of Hazardous Materials, Company may immediately stop work in the affected area and shall notify Customer. Customer will be exclusively responsible for taking any and all action necessary to correct the condition in accordance with all applicable laws and regulations. Customer shall be exclusively responsible for and, to the fullest extent permitted by law, shall indemnify and hold harmless Company (including its employees, agents and subcontractors) from and against any loss, claim, liability, fees, penalties, injury (including death) or liability of any nature, and the payment thereof arising out of or relating to any Hazardous Materials on or about the Work site, not brought onto the Work site by Company. In no event shall Company be obligated to transport or handle Hazardous Materials, provide any notices to any governmental agency, or examine the Work site for the presence of Hazardous Materials.

15. Force Majeure. Company's duty to perform under this Agreement is contingent upon the non-occurrence of an Event of Force Majeure. If Company shall be unable to carry out any material obligation under this Agreement due to an Event of Force Majeure, this Agreement shall at Company's election (i) remain in effect but Company's obligations shall be suspended until the uncontrollable event terminates or (ii) be terminated upon 10 days notice to Customer, in which event Customer shall pay Company for all parts of the Work furnished to the date of termination. An "Event of Force Majeure" shall mean any cause or event beyond the control of Company. Without limiting the foregoing, "Event of Force Majeure" includes: acts of God; acts of terrorism, war or the public enemy; flood; earthquake; tornado; storm; fire; civil disobedience; pandemic insurrections; riots; labor/labour disputes; labor/labour or material shortages; sabotage; restraint by court order or public authority (whether valid or invalid), and action or non-action by or inability to obtain or keep in force the necessary governmental authorizations, permits, licenses, certificates or approvals if not caused by Company; and the requirements of any applicable government in any manner that diverts either the material or the finished product to the direct or indirect benefit of the government.

16. Customer's Breach. Each of the following events or conditions shall constitute a breach by Customer and shall give Company the right, without an election of remedies, to terminate this Agreement or suspend performance by delivery of written notice: (1) Any failure by Customer to pay amounts when due; or (2) any general assignment by Customer for the benefit of its creditors, or if Customer becomes bankrupt or insolvent or takes the benefit of any statute for bankrupt or insolvent debtors, or makes or proposes to make any proposal or arrangement with creditors, or if any steps are taken for the winding up or other termination of Customer or the liquidation of its assets, or if a trustee, receiver, or similar person is appointed over any of the assets or interests of Customer; (3) Any representation or warranty furnished by Customer in this Agreement is false or misleading in any material respect when made; or (4) Any failure by Customer to perform or comply with any material provision of this Agreement. Customer shall be liable to Company for all Work furnished to date and all damages sustained by Company (including lost profit and overhead).

17. Indemnity. To the fullest extent permitted by law, Company and Customer shall indemnify, defend and hold harmless each other from any and all claims, actions, costs, expenses, damages and liabilities, including reasonable attorneys' fees, resulting from death or bodily injury or damage to real or tangible personal property, to the extent caused by the negligence or misconduct of their respective employees or other authorized agents in connection with their activities within the scope of this Agreement. Neither party shall indemnify the other against claims, damages, expenses or liabilities to the extent attributable to the acts or omissions of the other party. If the parties are both at fault, the obligation to indemnify shall be proportional to their relative fault. The duty to indemnify will continue in full force and effect, notwithstanding the expiration or early termination hereof, with respect to any claims based on facts or conditions that occurred prior to expiration or termination.

18. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT CONSEQUENTIAL, OR PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING WITHOUT LIMITATION BUSINESS INTERRUPTION, LOST DATA, LOST REVENUE, LOST PROFITS, LOST DOLLAR SAVINGS, OR LOST ENERGY USE SAVINGS, EVEN IF A PARTY HAS BEEN ADVISED OF SUCH POSSIBLE DAMAGES OR IF SAME WERE REASONABLY FORESEEABLE AND REGARDLESS OF WHETHER THE CAUSE OF ACTION IS FRAMED IN CONTRACT, NEGLIGENCE, ANY OTHER TORT, WARRANTY, STRICT LIABILITY, OR PRODUCT LIABILITY). The transmission of COVID-19 may occur in a variety of ways and circumstances, many of the aspects of which are currently not known. HVAC systems, products, services and other offerings have not been tested for their effectiveness in reducing the spread of COVID-19, including through the air in closed environments. **IN NO EVENT WILL TRANE BE LIABLE UNDER THIS AGREEMENT OR OTHERWISE FOR ANY ACTION OR CLAIM, WHETHER BASED ON WARRANTY, CONTRACT, TORT OR OTHERWISE, FOR ANY BODILY INJURY (INCLUDING DEATH) OR ANY OTHER LIABILITIES, DAMAGES OR COSTS RELATED TO COVID-19 (INCLUDING THE SPREAD, TRANSMISSION OR CONTAMINATION THEREOF) (COLLECTIVELY, "COVID-19 LIABILITIES") AND CUSTOMER HEREBY EXPRESSLY RELEASES TRANE FROM ANY SUCH COVID-19 LIABILITIES.**

Company does not warrant against infringement by reason of Customer's design of the articles or the use thereof in combination with other materials or in the operation of any process. In the event of litigation, Customer agrees to reasonably cooperate with Company. In connection with any proceeding under the provisions of this Section, all parties concerned shall be entitled to be represented by counsel at their own expense.

21. Limited Warranty. Company warrants for a period of 12 months from the date of substantial completion ("Warranty Period") commercial equipment manufactured and installed by Company against failure due to defects in material and manufacture and that the labor/labour furnished is warranted to have been properly performed (the "Limited Warranty"). Trane equipment sold on an uninstalled basis is warranted in accordance with Company's standard warranty for supplied equipment. **Product manufactured by Company that includes required startup and is sold in North America will not be warranted by Company unless Company performs the product start-up.** Substantial completion shall be the earlier of the date that the Work is sufficiently complete so that the Work can be utilized for its intended use or the date that Customer receives beneficial use of the Work. If such defect is discovered within the Warranty Period, Company will correct the defect or furnish replacement equipment (or, at its option, parts therefor) and, if said equipment was installed pursuant hereto, labor/labour associated with the replacement of parts or equipment not conforming to this Limited Warranty. Defects must be reported to Company within the Warranty Period. Exclusions from this Limited Warranty include damage or failure arising from: wear and tear; corrosion, erosion, deterioration; Customer's failure to follow the Company-provided maintenance plan; refrigerant not supplied by Trane; and modifications made by others to Company's equipment. Company shall not be obligated to pay for the cost of lost refrigerant. Notwithstanding the foregoing, all warranties provided herein terminate upon termination or cancellation of this Agreement. No warranty liability whatsoever shall attach to Company until the Work has been paid for in full and then said liability shall be limited to the lesser of Company's cost to correct the defective Work and/or the purchase price of the equipment shown to be defective. Equipment, material and/or parts that are not manufactured by Company are not warranted by Company and have such warranties as may be extended by the respective manufacturer. **THE WARRANTY AND LIABILITY SET FORTH IN THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES AND LIABILITIES, WHETHER IN CONTRACT OR IN NEGLIGENCE, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING IMPLIED WARRANTIES OF**

IN NO EVENT SHALL TRANE HAVE ANY LIABILITY FOR THE PREVENTION, ELIMINATION, REDUCTION OR INHIBITION OF THE GROWTH OR SPREAD OF SUCH CONTAMINANTS INVOLVING OR IN CONNECTION WITH ANY EQUIPMENT, ANY COMPONENT THEREOF, SERVICES OR OTHERWISE AND CUSTOMER HEREBY SPECIFICALLY ACKNOWLEDGES AND AGREES THERETO.

In no event does Company waive its right of subrogation.

23. Commencement of Statutory Limitation Period. Except as to warranty claims, as may be applicable, any applicable statutes of limitation for acts or failures to act shall commence to run, and any alleged cause of action stemming therefrom shall be deemed to have accrued, in any and all events not later than the last date that Company or its subcontractors physically performed work on the project site.

Any dispute arising under or relating to this Agreement that is not disposed of by agreement shall be decided by litigation in a court of competent jurisdiction located in the state or province in which the Work is performed. Any action or suit arising out of or related to this Agreement must be commenced within one year after the cause of action has accrued. This Agreement may not be amended, modified or terminated except by a writing signed by the parties hereto. No documents shall be incorporated herein by reference except to the extent Company is a signatory thereon. If any term or condition of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, all other terms and conditions of this Agreement will nevertheless remain in full force and effect as long as the economic or legal substance of the transaction contemplated hereby is not affected in a manner adverse to any party hereto. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of Customer's permitted successors and assigns. **TOPIC: APPROVE PURCHASE OF LIBRARY BOOKS AT MAUDRIE M.
WALTON ELEMENTARY SCHOOL**

BACKGROUND:

Earlier this school year, the library at Maudrie M. Walton Elementary School was set on fire and damaged the library, burned library books, and caused both major fire and smoke damage. A plan has been developed to replace the books in the library. Four quotes from four vendors from the bid awarded library jobbers used recently to order library books for the new Overton Park Elementary School library will be used. While not identical to all of the books lost at Walton, many of the titles are the same as ones lost at Walton. New titles have been substituted for older books that were outdated or no longer published. The vendors will not exceed the amount of the purchase order. Price includes cataloging and processing, so books would arrive in the District shelf ready with barcodes and labels attached and with electronic records ready to upload to the school's online library catalog.

STRATEGIC GOAL:

1 - Increase Student Achievement

TOPIC: APPROVE RATIFICATION AND PURCHASE OF AZURE SERVICES

BACKGROUND:

On April 14, 2020, as part of our renewal of Microsoft subscriptions and licenses, the Board approved Microsoft Azure Services for a total of \$89,082. These Azure services help us to maintain offsite hosting and backup of Active Directory. We are now needing to purchase additional Azure Services to extend the Active Directory services until June 2021, to support virtual access to the instructional software for Career and Technology (CTE) and On Ramps students, and to host and support an offsite data backup program.

The extra Azure services needed to support Active Directory through June 2021 are estimated at \$10,000 per month starting in April 2021. The CTE program costs are estimated at \$40,000 per month starting in September 2020, the On Ramps program costs are estimated at \$1,600 per month starting in September of 2020, and the services needed to support the offsite data backup program is estimated at \$1,800 per month starting in November 2020. The District can either prepay for estimated services or pay for overages, as used. We are requesting these additional services be paid "Pay-as-You-Go". Under this plan, we will only pay for actual services used, and not pay for services not used. The Azure services needed include cloud storage for Active Directory and offsite data backups, as well as services required to support virtual machine servers. The service period we are seeking approval for is through June 30, 2021.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

2. Decline to Approve Ratification and Purchase of Azure Services

**TOPIC: **APPROVE AMENDMENT OF THE COLLEGE BOARD PATHWAY
CONTRACT FOR THE 2020-2021 SCHOOL YEAR****

BACKGROUND:

Academic readiness is a key component in post-secondary success for the students in Fort Worth ISD (FWISD). The College Board’s college assessment suite provides a pathway for academic readiness and access for all students. To increase postsecondary readiness, the student assessment plan has been expanded to include the PSAT 8/9 administration to all 8th grade students, PSAT/NMSQT for all 10th and 11th grade students and the SAT School Day Test to all 11th grade students. Fort Worth ISD’s early participation program offers student exposure to the exam format and free, personalized practice materials. The PSAT/NMSQT grants access to an identifying tool utilized to determine student Advanced Placement potential. Specifically, the SAT 11th grade School Day Test allows juniors to acquire SAT college entrance exam scores in the spring of the junior year, which supports early college admissions. This program will give students access to free study aids and practice materials and a competitive option for college admission. In addition, these assessments provide data on the strengths and weaknesses of the District’s curriculum.

STRATEGIC GOAL:

1 - Increase Student Achievement

ALTERNATIVES:

1. Approve Amendment of the College Board Pathway Contract for the 2020-2021 School Year
2. Decline to Approve Amendment of the College Board Contract for the 2020-2021 School Year

**PSAT 8/9 Assessment
Early Participation Program
Fixed Fee Schedule**

I. BACKGROUND

College Board owns and delivers its national standardized tests to students. College Board's Early Participation Program is an initiative to support the involvement of all students in the college-going process at an earlier age while there is still time to inform instruction and learning, and increase students' readiness for college expectations. College Board supports this initiative by providing clients with access to additional savings when clients pay to engage at least one entire grade of students in taking the PSAT 8/9[®] exam, as indicated on the Budget Schedule or elsewhere in this Schedule ('Participating Grade'). Shifting this financial obligation from the student to Client provides greater access for students to the PSAT 8/9 assessment and provides students early entry on the road to college. This Schedule outlines how a Client sponsors a PSAT 8/9 administration for students and what data and reports may be provided to Client through College Board's online data portal.

II. SCOPE

College Board shall furnish the following PSAT 8/9 materials and reports to the schools designated by Client in Section IV (List of Participating Schools).

1. Materials for Students:

- a. PSAT 8/9 test materials (test booklets).
- b. Student Paper Score Report (one copy sent to Participating School).
- c. Student Online Score Report delivered via College Board website.
- d. Access to Official SAT Practice on Khan Academy; students ages 13 and older can link their College Board and Khan Academy accounts to receive free personalized practice recommendations based on their performance.
- e. If Client is administering digital testing ("Digital Testing"), students will receive online access to a digital test preview to demonstrate the navigation and tools available to students in the Digital Testing platform.

2. Materials for Schools:

- a. PSAT 8/9 test materials (test booklets).
- b. If Client is administering digital testing, Participating Schools will receive online access to the digital testing platform and download applications.
- c. Access to individual student score reports and aggregate score reports, and downloadable student data file, delivered via College Board website. In order for the Participating Schools to receive all reports on the data portal, answer sheets must be returned as soon as possible after testing.
- d. Access to AP Potential™ for students in 9th grade, via College Board website.
- e. SAT Suite of Assessment Educator Guide (one copy sent to each school).
- f. PSAT 8/9 Coordinator Manual (copies sent to schools based on their test book order; one per 25 tests ordered).
- g. If Client is administering Digital Testing, PSAT 8/9 Digital Testing Coordinator Manual (copies sent to schools based on their order in the Test Ordering Site; one per 10 tests ordered).

3. Reports for District:

- a. Access to individual student score reports and aggregate score reports, and downloadable student data file, delivered via College Board website.
- b. Access to AP Potential, delivered via College Board website.

4. Required Information. Client shall furnish College Board with: (a) a list of participating schools as prescribed in Section IV (List of Participating Schools); (b) a review of estimated student enrollment from a public data source as prescribed in Section V (Fee Calculation); and (c) Client's contacts as prescribed in Section VI (Client Contact Information). Client will review the pre-populated enrollment data from public data sources and send any adjustments as prescribed in Section V (Fee Calculation). Changes to the list of Participating Schools must be made no later than **one month prior to Client's selected administration date**. Participating Schools without a valid six-digit College Board school code should apply for their school code at **least six weeks before they plan to order test books**.

In the event that: (i) any of Client's schools are omitted from the List of Participating Schools or listed without valid school codes, then such schools shall not be covered under this Agreement and (ii) students in Participating Schools who incorrectly enter a grade or fail to enter a grade on their answer sheets will be incorrectly depicted in reports furnished under this Schedule, and no adjustments can be made to the reports furnished to Client under this Schedule.

III. PSAT 8/9 TERMS AND CONDITIONS

1. **Ownership of Intellectual Property.** Client agrees and acknowledges that the PSAT 8/9 exam, and all items (questions) contained therein, including all copies thereof, all exam materials (including publications and reports) and all data, including but not limited to student scores derived from the exam and collected under this Schedule are at all times owned by College Board, which is the exclusive owner of all rights in and to the PSAT 8/9 exam, including, without limitation, copyrights, trademarks, trade secrets, patents, and other similar proprietary rights, and all renewals and extensions thereof (collectively 'College Board Intellectual Property'). Nothing in this Schedule shall be interpreted to indicate that College Board is passing its proprietary rights in and to College Board Intellectual Property to Client or that its normal security procedures for national assessments will be altered in any way.

2. **PSAT 8/9 Student Reports.** College Board hereby grants Client a limited, nonexclusive, nontransferable, non-assignable right to use the score reports and individual student data for the legitimate educational purposes of internal analysis, which includes Client-wide training sessions, as long as the data used during training preserves the confidentiality of students. Client may not use or distribute the score reports externally or to third parties without the express written consent of College Board.

3. **PSAT 8/9 Test.** College Board hereby grants to Client during the Term of this Agreement a limited, non-exclusive, non-transferable, non-assignable, revocable license to use the PSAT 8/9 test booklets and the digital platform for Digital Testing for the sole purpose of administering the PSAT 8/9 exam on behalf of College Board and reviewing the scores with students within the classroom of a Participating School. Unless otherwise directed by College Board in advance, Client shall destroy PSAT 8/9 test booklets upon termination of this Agreement.

Except as expressly provided herein, Client is prohibited from copying, disseminating, publishing, displaying or distributing in any form, or reproducing the PSAT 8/9 test booklets or any questions from the Digital Testing in whole or in part, without the prior written consent of College Board. Client does not gain any ownership interest in the PSAT 8/9 test booklets or Digital Testing.

4. **PSAT 8/9 Assessment Administration.** If Client wishes to administer the test twice to the same Participating Grade, Client should select its first testing date between September 2020 and March 2021, and its second testing date in April 2021. Client agrees to administer the PSAT 8/9 to students in the Participating Grade(s) during the testing period(s) noted in the List of Participating Schools table below.

Client shall comply with the published security and administration guidelines for College Board's national test assessments set forth in the PSAT 8/9 Coordinator Manual. For the Digital Testing, Client shall also comply with the guidelines as published in the PSAT 8/9 Digital Testing Coordinator Manual, PSAT 8/9 Digital Testing Accommodated Manual and all relevant supplemental system requirements, installation manuals and guides.

5. **Digital Testing Requirements** (If Client is administering digital testing):

a. The PSAT 8/9 Coordinator at each Participating School will complete all required College Board Digital Coordinator Training and provide training access to other supporting staff. Client will ensure compliance with training requirements for all testing staff.

b. The PSAT 8/9 Coordinator at each Participating School will ensure the successful and accurate completion of all digital preadministration and technology setup activities. These include: a dedicated device for test coordinator(s) to monitor test activities, a proctor computer to administer the digital test in each testing room, and school-owned devices for each test-taking student with College Board Secure Browser installed. Additional information on the computers required for test day, including recommendations on battery and power source, can be found here: <https://digitaltesting.collegeboard.org/digital-preparedness/computer-requirements>. Client must further ensure that each school can meet College Board Digital Testing Requirements as outlined on the digital testing website, in the following areas:

Client understands that updates to the Digital Testing requirements will be posted on the Digital Testing website links outlined above.

c. Client agrees and understands that seating policies for Digital Testing are different from those for paper and pencil testing and will ensure that Participating Schools consult College Board manuals and training and adhere to the most up-to-date Digital Testing room seating policies.

d. Bulk Registration is required for Participating Schools electing to Digital Testing.

6. There is always a risk of disruption during paper or digital testing, including, without limitation, computer issues. College Board has endeavored to put in place procedures to allow administrators and students to recover from such disruption and complete testing.

CB-00028504 Amendment 1 to CB-00027865

Despite such efforts, Client understands that there are situations where College Board's only option is to schedule a makeup test. This is Client's sole remedy in relation to such disruption.

7. If Client is administering the test with accommodations requiring the use of an approved assistive technology device, students should pre-test the device in the Student Digital Test Preview prior to test day to ensure operational functionality. If the digital accommodation supports within the Digital Test preview do not meet the students testing needs, Client shall arrange for alternate accommodation supports.

V. FEE CALCULATION

1. **Program Pricing.** The fee calculation for this Schedule depends solely on the total enrollment figures for the Participating Grades as indicated in the College Readiness Agreement Budget Schedule ('Budget Schedule') and Client's official National School Lunch Program (NSLP) and the assessment(s) sponsored by Client. Client acknowledges that successful implementation of the Early Participation Program is contingent on Client requiring 100% of their schools¹ to participate under this Schedule. If, during the term covered by this Schedule, College Board is furnishing other assessments to Client in addition to PSAT 8/9, or if multiple grades are being tested under this Schedule, Client shall receive the fee calculation for testing under this Schedule represents a greater discount as set forth on the Budget Schedule. The table below details the discounts available ("Suite pricing" and "Multi-Assessment Pricing"). For purposes of Suite pricing under this Schedule, the PSAT/NMSQT ("PN") and PSAT 10 ("P10") are considered one assessment.

¹ College Board acknowledges that certain schools are excluded from this requirement, which include without limitation and by way of example, schools for the severely disabled, charter schools excluded from the administrative authority of Client, and schools primarily possessing students not enrolled to obtain a standard high school diploma.

CB-00028504 Amendment I to CB-00027865

National School Lunch Program (NSLP) Percentage	Suite Pricing: PSAT 8/9 with SAT School Day, and PN and/or P10	Multi-Assessment Pricing: • PSAT 8/9 with either PN or P10 or SAT School Day • At least <u>two</u> grades testing for PSAT 8/9
≥ 0% and <50%	\$9.00	\$9.50
≥ 50% and < 75%	\$8.00	\$9.00
≥ 75%	\$7.00	\$8.00

Client will be charged a fixed fee based on the enrollment as noted above, regardless of how many students actually take the PSAT 8/9 assessment. The enrollment and total cost indicated in the Budget Schedule are estimates; Client will be given an opportunity to adjust and review the enrollment in the fall to determine their final fee.

2. **Changes to Enrollment.** If Client determines, after signing this Agreement, that the enrollment figures provided herein are incorrect by more than 5% (up or down), Client must promptly provide College Board with the adjusted enrollment figures and identify how and where College Board may confirm this information. Client shall send the updated enrollment figures and an official enrollment report or references, on official letterhead, via email (preferred method) to AssessmentsProgram@collegeboard.org or mail to: PSAT/SAT Assessments, College Board, 250 Vesey Street, New York, NY 10281 no later than:

Administration Date	Deadline to submit updated enrollment
Sept. 2020 – Jan. 2021	October 30, 2020
Feb. 2021 – Mar. 2021	January 29, 2021
April 2021	

Notwithstanding the foregoing, after the administration of the exam, College Board may request a verification of enrollment by Participating Grade from Client. If enrollment figures provided by Client based on such request, differ from those provided herein, College Board will adjust the total cost of the Schedule to account for either increases or decreases in enrollment. Additionally, in the event actual participation in a Participating Grade exceeds Client's enrollment figures indicated herein, Client shall remit payment to College Board for any additional students at the full test fee of \$13.00 per student.

2. **Restrictions.** No student participating under this Agreement will be assessed an individual fee for taking the PSAT 8/9 exam.

4. **Unused Tests (paper and pencil).** Participating Schools will not incur unused test fees for Participating Grade(s); however, unused test fees will apply for all other grades ('non-Participating Grades'). A fee of \$4 per test booklet will be charged if a Participating School is calculated to have unused tests greater than 20% of their test booklets ordered by non-Participating Grade(s). Participating Schools that use at least 80% of the tests ordered for non-Participating Grade(s) will not incur an unused test fee.

What We Heard

As your partner, we are committed to providing you with engaging professional learning experiences tailored to the individual needs of your teachers during this time. Here's what we heard from you during our initial planning conversation...

- The schools will be facilitating a hybrid learning model for this year where students are in school and some students are joining virtual lessons from home.
- Teachers will need support designing lessons that engage students in the classroom and from home.
- Onsite coaching focused on providing good math instruction will likely be the most impactful.
- Teachers will have limited time this school year to be pulled for Professional Learning, sessions will need to be job-embedded, after school, or potentially on Enrichment Fridays.
- LAN would like to move forward with professional learning consisting of in-classroom support, math content academies, the National Math Institute, and summer of 2021 grade level planning.

MEASURABLE GOALS

Transforming the Mathematics Classroom

- Teachers will act as facilitators of student learning in flexible and personalized learning environment focused on Texas Process Standards via the [Workshop Model](#)
 - Engage - Opening of the Lesson

SCOPE OF WORK

In order to achieve the outlined goals, Carnegie Learning has designed a custom professional learning scope of work that clearly outlines the professional learning activities along with a detailed timeline. We will monitor this scope of work with quarterly progress monitoring check-ins and make adjustments when necessary in order to maximize the impact of every professional learning activity.

Professional Learning Activities

Our comprehensive professional learning plan is made up of the following components:

- In-Classroom Support
- Custom Professional Development: Planning and Math Content Focused
- The National Math Institute
- Math Content Academies

In-Classroom Support

Limited to 4-6 teachers per day

In-Classroom Support takes place within the classroom and provides side-by-side coaching from the Carnegie Learning master practitioners. Carnegie Learning master practitioners intentionally build relationships with teachers and leaders in order to help the student achieve success and promote high-quality Carnegie Learning implementations. During In-Classroom Support, master practitioners will:

- Support the Carnegie Learning implementation to ensure fidelity to the model
- Provide individual and group coaching to support continuous growth and improvement
- Support student-centered learning and collaborative mathematics classrooms
- Assist schools in monitoring and maximizing a constant stream of data specific to individual classrooms and individual students

Custom Professional Development Planning and Data Workshops & Math Academies

Our content intensive workshops are designed to expand teachers' understanding of mathematical content and pedagogy aligned to NCTM's Principles to Actions: Ensuring Mathematics Success for All (2014).

There are three main elements to the workshops:

- **Grade-Specific Content Previews** – Teachers will preview upcoming mathematical content centered around the big ideas for their grade band and experience model lessons as learners themselves.
- **Heightened Awareness of Teaching Practices** – Our workshops are designed to facilitate teachers' meta-cognitive reflection on their own teaching practice and provide access points for them to adjust their instructional practices as they learn new strategies.
- **Problem-Solving in a Learner-Centered Classroom** – This is at the core of Carnegie Learning's pedagogical approach to mathematics instruction. Educators have the opportunity to experience learning as students would, actively engaging in discourse and productive struggle with their peers around the math (NCTM Principles to Action, 2014).

LONG + LIVE + MATH The National Institute

This event isn't like any other education conference you've attended. Attendees will leave refreshed, excited, energized, and equipped to make a difference. Over the course of the 4 day institute we bring together the smartest, most passionate educators and leaders to share insights and strategies around a common goal: to help every student reach their full potential in mathematics. 8. EVF agrees to provide certain approved materials as prescribed by any of the EVF Doctors on the KVFL Mobile Clinic, and is reasonably medically necessary, at no charge to eligible students. EVF defines vision examinations as a refractive exam and eye health evaluation. EVF will transition toward state-mandated examinations; however, some tests may not be included during COVID-19 as recommended by the American Optometric Association. Various tests may be performed during the course of the examination. Techniques which put light pressure on the eye may be implemented. Eye drops may also be used during the exam to enlarge the pupil allowing the doctor to see the inside part of the eye. These drops will not harm the eye or eyesight. Though the pupil will be larger than normal, it will return to its normal size within a few hours up to a full day. EVF may improve upon the components of a vision examination as desired.
9. EVF will make reasonable best efforts to provide Partner campus representatives with Clinic report after completion of Clinic, to include: (a) manifest distance acuity, (b) exam outcome (glasses prescribed), (c) glasses status (made on clinic or sent to lab), and (d) glasses wear schedule.
10. EVF agrees to provide a signed copy of student’s prescription, for distribution to parents and to file in student medical record upon written request.
11. EVF agrees to maintain general liability and auto insurance for the KVFL Mobile Clinic during the Clinic(s).

12. EVF shall conduct background investigations on each and every participant that it enlists to volunteer at the Clinic(s). All volunteers must pass such background investigation to volunteer, which shall include both a Criminal Background Check and Sex Offender Search, as be determined by EVF in its sole and absolute discretion. EVF shall thereafter be responsible for the conduct of its volunteers.

13. EVF may also participate in one or more community events hosted by the School District, or serve additional schools. Requests will be reviewed independently based on KVFL Mobile Clinic and staff availability.

C. Partner Obligations

1. Partner agrees to identify participating schools no later than thirty (30) days prior to the start of the school year.

2. Partner will make best efforts to identify back-up schools to participate in Program, to minimize Clinic cancellations.

3. Partner agrees to invite EVF to nurse onboarding meeting no later than forty-five (45) days prior to the first scheduled Clinic to review Program forms, processes, and expectations. This can be an in-person meeting or conference call.

4. Partner agrees to provide EVF with contact information for participating schools, to include school Principal and Nurse. Contact information to include name, email, and primary phone number, to be received prior to the first scheduled Clinic.

5. 6. Partner agrees to provide a location for the Clinic that will accommodate the KVFL Mobile Clinic, which bears the following dimensions: 13 feet (height), 40 feet (length), 10 feet (width), 32,000 pounds weight threshold or greater.

7. Partner understands and agrees that students treated on the KVFL Mobile Clinic at the Clinic must meet all of the following criteria in order to receive vision care services:

a. Student must NOT have medical insurance that covers a vision exam and/or glasses, although the student MAY have Medicaid or CHIP;

b. Student must participate in the free/reduced lunch program at school;

- c. Parent/Guardian must provide written consent to care by signing the Consent Form; and
 - d. Student must have failed a state-mandated vision screening within a year of the scheduled Clinic date.
8. Partner agrees to provide EVF the number of returned Consent Forms no later than two (2) weeks prior to scheduled Clinic.
9. Partner agrees to provide the following information to EVF for all participating schools for students that have returned a valid hardcopy Consent Form:
- a. Name of Student
 - b. Student ID# and Grade
 - c. Student Date of Birth
 - d. Student Gender
 - e. Visual Acuity obtained on vision screening
10. Partner will also provide the following de-identified information to EVF for all participating campuses:
- a. Total # of Failed Vision Screenings at school
 - b. Total # of students referred to EVF
 - c. Total # of returned Consent Forms
11. Partner understands and agrees to comply with the following Program limitations:
- a. The current focus of the Program is on youth age 5 – 12 years old; grades K, 1, 3, and 5.
 - b. Persons who do not provide a signed Consent Form are not eligible to participate in the Clinic.
 - c. A minimum of 35 signed Consent Forms are required to hold a Clinic(s), unless otherwise approved.

d. Lost, stolen, or broken glasses are not covered by the Program and cannot be replaced. Program provides the prescription so the Partner or parent/guardian can source another pair of glasses at their own cost.

12. Partner agrees to investigate, and implement where available, electronic Consent Form delivery, as a proven tactic to increase Program participation. Partner shall introduce EVF to appropriate parties to explore and make final decision on electronic Consent Form delivery, to the extent possible.

13. Partner shall conduct background investigations on each and every participant that it enlists to volunteer (eg. parent volunteer) on the KVFL Mobile Clinic and at the Clinic(s). 4. Both Parties agree to protect student's Protected Health Information in accordance with all applicable laws governing storage, use and/or protection of patient data, including without limitation, the requirements of Family Educational Rights and Privacy Act (FERPA) and Health Insurance Portability and Accountability Act (HIPAA).

E. Term/Termination

1. This Agreement shall commence on the Effective Date and continue for one year thereafter (the "Initial Term"). The Agreement may be renewed for additional one (1) year terms upon mutual written agreement of the Parties.

**Lease Agreement Between
the University United Methodist Church and
the Fort Worth Independent School District**

This Lease Agreement (“Agreement”) is entered between the University United Methodist Church ("UUMC") and the Fort Worth Independent School District, a political subdivision of the state of Texas and a legally constituted independent school district, ("FWISD"). FWISD and UUMC may be collectively referred to as “Parties” or individually as “Party”. The Parties agree, as follows:

**Article I
Definitions**

- 1.1 Leased Premises. The phrase “Leased Premises” will mean the surface parking owned by UUMC and located at 2416 W. Berry Street, Fort Worth, Texas 76110. The term “Leased Premises” does not include any improvements on the property other than the parking area itself.
- 1.2 Lease Term. The phrase “Lease Term” will mean the primary term hereinafter stated.
- 1.3 Lease. The term “Lease” will mean this Agreement and all amendments thereto hereinafter entered into.

**Article II
Grant of Lease**

- 2.1 Grant of Lease. In consideration of the mutual covenants contained in this Lease, UUMC hereby leases to FWISD the Leased Premises together with all rights appurtenant and existing means of access to and from, and all ways over the adjoining and surrounding area, including streets, alleys, and other public spaces immediately adjoining and contiguous to the Leased Premises, and all of Lessor’s easements and rights appurtenant to and/or used in connection with the Leased Premises. UUMC will provide FWISD with access to, and use of, 32 parking spaces per month as described herein, in the Church Lot.
- 2.2 Title and Condition. The Leased Premises are leased subject to the existing state of title thereof as of the date of this Lease; to all encroachments thereon or over any street or adjoining property; to any state of facts which an accurate survey or physical inspection thereof might show; to all zoning regulations, restrictions, rules, and ordinances, and all laws and regulations now in effect or hereafter adopted by any governmental authority having or acquiring jurisdiction.

**Article III
Term**

- 3.1 Primary Term. Subject to the provisions of this Lease, and termination rights of the Parties hereto, this Agreement will remain in effect from September 1, 2020 through August 31, 2023. The agreement may be renewed for up to two (2) additional one (1) year terms upon mutual written agreement of both Parties.

- 3.2 Timeframe of Lease. UUMC agrees to lease the Leased Premises to FWISD from Monday thru Friday during the school hours of 7 am - 4 pm. UUMC will have the ability to use the lot on a school day with a minimum of a three (3) day notice, no more than five (5) times a year, so that UUMC can accommodate large events on a weekday.
- 3.3 Saturday Use. A yearly schedule of Saturday calendar items, such as the Scholastic Aptitude Test (“SAT”) exam days, should be submitted by the campus principal to the church’s business administrator on an annual basis for approval. The business administrator will be responsible for sending approval to the campus principal for all dates submitted on the calendar within two (2) weeks of the calendar being submitted. The campus principal has the ability to ask for additional Saturdays (after approval of the calendar) provided that there is at least a one (1) week advance notice. The church must respond within forty-eight (48) business hours (M-F) to the request.
- 3.4 Applicable Year. For each applicable year, UUMC will provide the 32 parking spaces from the Church Lot from September 1 through August 31.

- 3.6 Use of Leased Premises. Use of the Leased Premises by FWISD will be limited to FWISD visitors and staff. The Leased Premises will not be utilized by FWISD students.

Article IV Payment Obligation

- 4.1 Compensation. FWISD will pay UUMC \$10,000 per year for the period of September 1 through August 31.

Article V Maintenance of Leased Premises

- 5.1 Maintenance by Lessor. In partial consideration of this Agreement, UUMC agrees and shall, at UUMC’s sole expense, maintain the Leased Premises in good condition for the remainder of the Lease Term. Except as otherwise provided in this Agreement, UUMC shall maintain, repair, and replace, as UUMC deems reasonably necessary, the Leased Premises. UUMC shall maintain and repair the Leased Premises in the manner and to the extent reasonably deemed by UUMC to be standard for a parking lot of similar class, size, age, and location. UUMC shall be responsible for all costs of any current repairs needed on the Leased Premises and for any costs associated with maintaining the Leased Premises. In the event that the Leased Premises should become in need of repairs required to be made by UUMC hereunder, FWISD shall give prompt written notice thereof to UUMC; and UUMC shall commence repairs within thirty (30) days. In fulfilling its obligations hereunder, UUMC will not interfere with FWISD’s right to use and enjoyment of the Leased Premises during any of the designated times of use. If the Leased Premises are damaged by FWISD, other than through ordinary wear and tear attributable to the use of the Leased Premises, FWISD will cover the reasonable cost of repairs to the Leased Premises.

**Article VI
Assignment**

- 6.1 Assignment by UUMC. UUMC may at any time convey, assign, or encumber the Leased Premises and/or UUMC's rights under this Agreement. In the event of any such conveyance or assignment (other than a conveyance or assignment as collateral security for an indebtedness) UUMC will be completely relieved from all obligations placed on UUMC by this Agreement effective the date of such conveyance or assignment. However, UUMC will be so relieved only if (and when) FWISD is furnished with an instrument in writing signed by such grantee or assignee and providing for the assumptions by such grantee or assignee of all the provisions of this Lease.
- 6.2 Assignment by FWISD. FWISD may assign FWISD's rights under this Agreement to a third party with the prior written approval of UUMC.

- 7.2 Loss of Funding and Commitment of Current Revenue. Termination of this Agreement under this paragraph is to be considered Termination for Non-Appropriation of Funds. FWISD will have the continuing right to terminate this Agreement at the end of each fiscal year or end of the special revenue fund or grant during the term of the Agreement, without FWISD incurring any liability to UUMC as a result of such termination, including early termination charges. If FWISD terminates this Agreement pursuant to this paragraph, UUMC will have the right to collect and retain payment for rental charges through termination date but will not be entitled to any early termination charges.

**Article VIII
Insurance/Casualty**

- 8.1 UUMC's Insurance. hereafter provided, if the Leased Premises shall be damaged or destroyed in whole or in any part by fire, or other casualty, UUMC shall at its own cost and expense promptly repair and restore the Leased Premises, including any improvements to substantially the same condition as existed immediately prior to such damage or destruction. If the insurance proceeds received by UUMC are insufficient to pay the full cost of repair or restoration, UUMC shall pay the deficiency.

Article IX Indemnification

**TOPIC: **APPROVE APPRAISERS FOR THE T-TESS APPRAISAL SYSTEM
CERTIFIED SINCE NOVEMBER 10, 2020****

BACKGROUND:

19 TAC §150.1001 (b) states the Commissioner’s recommended teacher appraisal system, the Texas Teacher Evaluation and Support System (T-TESS), was developed in accordance with the Texas Education Code (TEC), §21.351 (c). This section states under the recommended appraisal process, an appraiser must be the teacher’s supervisor or a person approved by the Board of Trustees.

19 TAC §150.1005 (c) states, “Before conducting an appraisal, an appraiser must be certified by having satisfactorily completed the state-approved T-TESS certification examination, and must have received Instructional Leadership Training (ILT), Instructional Leadership Development (ILD), or Advancing Educational Leadership (AEL) certification.”

Administration Recommendations: Board approves Fort Worth ISD Campus Administrators, as defined in 19 TAC 150 §150.005 (b), who meet the above requirements, to serve as an appraiser on any campus as a second appraiser. The selection criteria for second appraisers is as follows:

1. Minimum of three years as a campus principal on a Met Standard or above rated campus.
2. Minimum of three years in a supervisory role directly related to the appraised area.
3. Minimum of one year participation in the T-TESS evaluation system as an administrator.

The District makes every effort to ensure teacher appraisers are the teacher’s supervisor. Under extenuating circumstances, or when a second appraiser is requested, someone other than the teacher’s supervisor will be the appraiser.

STRATEGIC GOAL:

1 – Increase Student Achievement

ALTERNATIVES:

2013 CAPITAL IMPROVEMENT PROGRAM CONSTRUCTION
RESERVES FOR ROSEMONT MIDDLE SCHOOL AND ROSEMONT 6TH
GRADE RESTROOM RENOVATIONS**

BACKGROUND:

On January 19, 2019, the Board of Education approved the use of the estimated \$15M that would remain in construction funds for Middle School restroom renovations. The Rosemont Middle School and Rosemont 6th Grade restroom projects were excluded from the initial scope of work due to lack of information from the architectural team. Due to the delay, the amount allocated for these two restroom projects may increase due to the increase in construction costs. Therefore, the Capital Improvement Program (CIP) is requesting to increase the budget for these two restroom renovations by an additional \$847,900. CIP staff has reviewed internal accounts and located additional 2013 CIP funds that will be used to complete the funding of these restroom renovations that will start construction next summer.

**CONSENT AGENDA ITEM
BOARD MEETING
December 8, 2020**

**TOPIC: APPROVE PROPOSAL AND AUTHORIZE THE SUPERINTENDENT OR
DESIGNEE TO NEGOTIATE AND ENTER INTO A CONTRACT WITH
A LICENSED PUBLIC INSURANCE ADJUSTER**

BACKGROUND:

On September 18, 2020, the District issued a Request for Proposal (RFP 21-043) entitled “Licensed Public Insurance Adjuster.” The District received one response to RFP 21-043 that closed on October 2, 2020. The following firm was deemed responsive and compliant with the RFP requirements.

Firm: **LRG Claims, LLC**

A public insurance adjuster works exclusively for the insurance policyholder. Aside from attorneys and the broker of record, state licensed public adjusters are professionals who are entrusted by governments and consumers to professionally represent the rights of an insured during an insurance claim process. Their technical knowledge, expertise, and ability to interpret ambiguous insurance policies allow property owners to recover on their claims.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:

1. Approve Proposal and Authorize the Superintendent or Designee to Negotiate and Enter into a Contract with a Licensed Public Insurance Adjuster
2. Decline to Approve Proposal and Authorize the Superintendent or Designee to Negotiate and Enter into a Contract with a Licensed Public Insurance Adjuster
3. Remand to staff for further study

SUPERINTENDENT’S RECOMMENDATION:

Approve Proposal and Authorize the Superintendent or Designee to Negotiate and Enter into a Contract with a Licensed Public Insurance Adjuster.

**CONSENT AGENDA ITEM
BOARD MEETING
December 8, 2020**

**TOPIC: APPROVE AUTHORIZATION TO ENTER INTO CONTRACTS FOR
FURNITURE REMOVAL AND DISPOSAL SERVICES FOR THE 2017
CAPITAL IMPROVEMENT PROGRAM**

BACKGROUND:

The 2017 Capital Improvement Program (CIP) is modernizing portions of the high school campuses with new furniture that better supports the District’s teaching and learning philosophy. Eastern Hills High School, Western Hills High School, Dunbar High School, and Benbrook Middle/High School are scheduled to receive partial orders of new furniture over the winter break.

In preparation for these installations to occur, the existing furniture needs to be removed from the campuses. The existing furniture has reached its “end of life cycle” and the District is not intended to be repurposed. Therefore, CIP will handle the inventory, removal, and disposal of the existing furniture through a service provider.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:

1. Approve Authorization to Enter into Contracts for Furniture Removal and Disposal Services for the 2017 Capital Improvement Program

MeTEOR Education & OMNIA Partners Overview

**ACTION AGENDA ITEM
BOARD MEETING
December 8, 2020**

TOPIC: **APPROVE MEMORANDUM OF UNDERSTANDING BETWEEN FORT WORTH INDEPENDENT SCHOOL DISTRICT AND MYPHI, LLC**

BACKGROUND:

This Memorandum of Understanding between Fort Worth ISD (FWISD) and MyPHI, LLC will develop a risk prediction model that leverages real-time data on COVID-19 community risk to predict COVID-19 test positivity rate at the Zip Code level. In this 6-week pilot study with FWISD, we will use de-identified student data from select pilot campuses to run their risk prediction model. A COVID-19 risk score is generated for each zip code that can be assigned to a student based on home address zip code. The student-level risk scores are then classified as High, Medium, or Low and recommendations are made to either perform a rapid COVID-19 test (for higher risk students) or continue routine clinical monitoring (for lower risk students). Rapid testing will be provided on site by School Nurses with parental consent. The School Nurse will recommend the following actions: 1) if the rapid COVID-19 test is negative, allow the student to return to in-person education; 2) if the rapid COVID-19 test is positive, move the student to isolation, recommend early dismissal, and switch to online education for 14 days.

Through this six-week pilot, we expect to achieve 1) an increase in school attendance (both overall and in-person), 2) a decrease or stabilization of school-based COVID-19 transmission and, 3) an increase in parental satisfaction with the data-driven return-to-school strategy.

STRATEGIC GOAL:

1 - Increase Student Achievement

RATIONALE:

Current data on community transmission rely on COVID-19 test results, which typically are available about 2-3 weeks after the actual time of community transmission. About 40% of people with COVID-19 do not display any symptoms, yet can transmit the infection effectively: this is known as asymptomatic transmission. Thus, symptoms monitoring alone is not enough to mitigate the risk for school-based transmission of COVID-19. School-based surveillance testing is essential to accurately monitor the risk for community transmission at school. The MyPHI COVID-19 surveillance testing pilot will allow us to explore a more manageable method to make timely decisions.

Memorandum of Understanding

**Fort Worth Independent School District (FWISD) and
MyPHI, LLC (MyPHI)**

MyPHI, LLC (MyPHI) and the Fort Worth Independent School District, a political subdivision of the state of Texas and a legally constituted independent school district, (“FWISD” or “District”) are joining to collaborate on a pilot program to test the feasibility and preliminary impact of a risk-driven approach to return-to-school during the COVID-19 pandemic in the school year 2020 – 2021. This Memorandum of Understanding (MOU) articulates the goals and responsibilities of the partnership between FWISD and MyPHI and establishes each Party’s responsibilities associated with this agreement. FWISD and MyPHI may be collectively referred to as “Parties” or individually as “Party.”

A. Collaborative Goals:

- 1) The risk-driven return-to-school pilot (the “Pilot”) is a program initiated by MyPHI in collaboration with FWISD, which leverages advanced data analytics and risk prediction to support a safe in-person return-to-school strategy while mitigating the risk for school-based COVID-19 transmission. As the COVID-19 pandemic continues, community transmission remains high in Fort Worth. For optimal education, in-person return-to-school for FWISD students began in October 2020. The risk for school-based COVID-19 transmission mirrors the community risk. Current data sources to monitor COVID-19 community transmission rely on COVID-19 test results, which are typically delayed by 2-3 weeks, and therefore do not provide timely information to support school reopening decisions. Moreover, COVID-19 community transmission is uneven, with some parts of the community experiencing high transmission while other parts have lower transmission, thus offering an opportunity for tailored decision making. MyPHI has developed a risk-prediction model that leverages real-time social media reports and community mobility data to accurately predict, in real-time, COVID-19 transmission risk in the community. MyPHI risk prediction would provide proactive insights to the FWISD leadership to support timely and targeted decision making, including school-based COVID-19 monitoring testing/monitoring strategy and school reopening/closing decision. The primary objective of this pilot is to test the feasibility of a data-driven, risk-based return-to-school strategy incorporating COVID-19 risk prediction, risk-tailored school-based monitoring testing, and isolation/quarantine as indicated, to: **(a) optimize** in-person school attendance while; **(b) mitigating** COVID-19 school-based transmission risk; and **(c) enhancing** parental trust in the school’s return-to-school strategy.
- 2) The FWISD and MyPHI partnership will establish a framework and initiate a process of transferring FWISD student data between FWISD and MyPHI (See Attachment A) for the

purpose of: (i) developing a COVID-19 risk report prepared by MyPHI for FWISD (See attachment B); and (ii) evaluating the impact of the Pilot on school attendance, school-based COVID-19 transmission, and parental/guardian satisfaction with in-person return-to-school plans.

B. MyPHI Responsibilities:

- 1) MyPHI will work with FWISD to establish a mechanism for secure information transfer. This will include processes to maintain confidentiality of individual FWISD students and their data. MyPHI will have access to de-identified student IDs, their associated demographic data, and program year grade, discipline, and attendance data (Attachment A; Exhibit A and B). MyPHI will have access to student data for the year prior to program implementation (Attachment A; Exhibit A and B).
- 2) MyPHI will provide FWISD with a weekly COVID-19 Risk Report (Attachment B), a student-level COVID-19 risk classification as High, Medium, or Low risk, along with recommendations for school-based COVID-19 testing, clinical monitoring, or in-person vs. online education. The data will be provided in a format to be specified by both Parties. The returned file will be password protected in order to ensure student confidentiality and data security.
- 3) MyPHI will work with FWISD to secure a parental/guardian consent for school-based COVID-19 monitoring testing (Attachment C). Parental/guardian consent will need to be active for a student to undergo monitoring COVID-19 rapid testing at school.
- 4) MyPHI will work with FWISD to train personnel for pilot implementation, including School Nurses and Health Affiliates Workflows (Attachment D).
- 5) MyPHI will work with FWISD and their appropriate vendors to administer and analyze parental surveys (Attachment E) as part of this Pilot evaluation.
- 6) MyPHI will share Pilot program monitoring and evaluation findings with FWISD in a weekly outcomes report to be submitted at the end of each week and a final Pilot Program Impact Report to be submitted within two (2) weeks of Pilot completion.

C. FWISD/Schools Responsibilities:

- 1) FWISD will work with MyPHI to identify school campuses suitable for the Pilot.
- 2) FWISD will review the weekly COVID-19 Risk Reports and implement recommendations, as appropriate and as determined by FWISD.
- 3) FWISD and MYPHI will operate as the custodians of the confidential student data related to this agreement and at no time will share the identifiable data related to this agreement with other parties.

- 4) FWISD Department of Grants Compliance and Monitoring will provide to MyPHI the following de-identified demographic, attendance, and achievement data fields associated with all students in participating schools for purposes of Pilot implementation and impact evaluation. The data (listed in detail in Attachment A; Exhibit A and B) should be provided at the beginning and at the end of the Pilot, as specified on the data request (Attachment A; Exhibit A and B). FWISD Department of Grants Compliance and Monitoring also will provide to MYPHI aggregate reports of school-based COVID-19 test results (Attachment A; Exhibit C) at the beginning of each Pilot week.
- 5) FWISD will provide MYPHI the data in a format to be specified by both Parties. The returned file will be password protected in order to ensure student confidentiality and data security.
- 6) FWISD's Department of Grants Compliance and Monitoring will provide a timely dataset of the requested data (Attachment A) at the beginning and end of the Pilot, as specified in the data request form (Attachment A; Exhibit A and B), and at the beginning of each pilot week (Attachment A; Exhibit C). FWISD will do their best to honor this timeframe, but in the event that the data is not available for release within this timelines, FWISD will notify MyPHI before the deadline of an updated expectation of delivery.
- 7) FWISD will charge MyPHI \$85 per hour for the data pull.

D. Joint Responsibilities:

- 1) Collaborate in order to identify appropriate school campuses for Pilot participation, and effectively implement and evaluate the Pilot.
- 2) Collectively promote data security and confidentiality.
- 3) Coordinate dissemination strategies of evaluation findings.

E. Term

This Agreement will be effective from the date of signing and shall terminate on December 31, 2020. This Agreement may be modified or extended at any time by mutual written consent of both Parties.

F. Termination

The provisions in this paragraph are solely for the benefit of the Parties to this MOU and are not intended to create or grant any rights contractually, or otherwise, to any third party.

**ACTION AGENDA ITEM
BOARD MEETING
December 8, 2020**

TOPIC: APPROVE WAIVING FIRST READING AND REVISIONS TO BOARD POLICY FFG(LOCAL)

BACKGROUND:

The Texas Association of School Boards (TASB) assists school districts by ensuring proper standards are met in regards to state and federal guidelines by supporting and navigating through policy and regulation updates and changes. School districts with localized policy manuals receive several major updates per year called numbered updates. They are called “numbered updates” because they are numbered sequentially. These updates respond to changes in state and federal law, court cases, and decisions by the Attorney General and by the Commissioner of Education. In numbered updates TASB only makes recommendations where the District’s local policies are concerned. District personnel updates policies incorporating TASB’s recommendations and/or the needs of the District. The Board of Trustees always has the final say regarding which policies go in the manual.

TASB removed FFG(EXHIBIT) and requires districts to adopt a revised FFG(LOCAL) that includes the latest state updates and information from the exhibit.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:

1. Approve Waiving First Reading and Revisions to Board Policy FFG(LOCAL)
2. Decline to Approve Waiving First Reading and Revisions to Board Policy FFG(LOCAL)
3. Remand to staff for further study

BOARD POLICY UPDATE #115

FFG(LOCAL) STUDENT WELFARE: CHILD ABUSE AND NEGLECT

Rationale:

FFG(LEGAL), Administrative Code rules on child abuse and neglect were recently revised. To ensure that all required policy elements are addressed in board-adopted local policy, TASB revised and moved provisions from FFG(EXHIBIT) into FFG(LOCAL). FFG(EXHIBIT) has been deleted and it is imperative that our current FFG(LOCAL) policy is revised to ensure we have the most current state regulations.

Annotations are shown as follows.

- *Deletions* are shown in a red strike-through font: ~~deleted text~~.
- *Additions* are shown in a blue, bold font: **new text**.
- Blocks of text that have been *moved* without alteration are shown in green, with double underline and double strike-through formatting to distinguish the text's destination from its origin: ~~moved text~~ becomes moved text.
- *Revision bars* appear in the right margin, as above.

**Program to Address
Child Sexual Abuse,
Trafficking, and
Maltreatment**

The District's program to address child sexual abuse, trafficking, and other maltreatment of children, as included in the District improvement plan and the student handbook, shall include:

1. Methods for increasing staff, student, and parent awareness regarding these issues, including prevention techniques and knowledge of likely warning signs indicating that a child may be a victim;
2. Age-appropriate, research-based antivictimization programs for students;
3. Actions that a child who is a victim should take to obtain assistance and intervention; and
4. Available counseling options for affected students.

Training

The District shall provide training to employees as required by law. Training shall address techniques to prevent and recognize sexual abuse, trafficking, and all other maltreatment of children, including children with significant cognitive disabilities. [See DMA]

[See BBD for Board member training requirements and BJCB for Superintendent continuing education requirements.]

**Reporting Child
Abuse and Neglect**

Any person who has cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect has a legal responsibility, under state law, to immediately report the suspected abuse or neglect to an appropriate authority.

As defined in state law, child abuse and neglect include both sex and labor trafficking of a child.

The following individuals have an additional legal obligation to submit a written or oral report within 48 hours of learning of the facts giving rise to the suspicion of abuse or neglect:

1. Any District employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect.
2. A professional who has cause to believe that a child has been or may be abused or neglected or may have been a victim of indecency with a child. A professional is anyone licensed or certified by the state who has direct contact with children in the normal course of duties for which the individual is licensed or certified.

~~Any~~ ~~by any~~ person is required to ~~shall~~ make a report if the person has cause to believe that an adult was a victim of abuse or neglect ~~im-~~

[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

Restrictions on Reporting

In accordance with law, an employee is prohibited from using or threatening to use a parent's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological testing or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Making a Report

Reports may be made to any of the following:

1. A state or local law enforcement agency;
2. The Child Protective Services (CPS) division of the Texas Department of Family and Protective Services (DFPS) at (800) 252-5400 or the [Texas Abuse Hotline Website](#)ⁱ;
3. A local CPS office; or
4. If applicable, the state agency operating, licensing, certifying, or registering the facility in which the suspected abuse or neglect occurred.

However, if the suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child, the report must be made to DFPS, unless the report is to the state agency that operates, licenses, certifies, or registers the facility where the suspected abuse or neglect took place; or the report is to the Texas Juvenile Justice Department as a report of suspected abuse or neglect in a juvenile justice program or facility.

An individual does not fulfill his or her responsibilities under the law by only reporting suspicion of abuse or neglect to a campus principal, school counselor, or another District staff member. Furthermore, the District is prohibited from requiring an employee to first report his or her suspicion to a District or campus administrator.

Confidentiality

In accordance with state law, the identity of a person making a report of suspected child abuse or neglect shall be kept confidential

and disclosed only in accordance with the rules of the investigating agency.

Immunity

A person who in good faith reports or assists in the investigation of a report of child abuse or neglect is immune from civil or criminal liability.

Failing to Report Suspected Child Abuse or Neglect

By failing to report suspicion of child abuse or neglect, an employee:

1. May be placing a child at risk of continued abuse or neglect;
2. Violates the law and may be subject to legal penalties, including criminal sanctions for knowingly failing to make a required report;
3. Violates Board policy and may be subject to disciplinary action, including possible termination of employment; and
4. May have his or her certification from the State Board for Educator Certification suspended, revoked, or canceled in accordance with 19 Administrative Code Chapter 249.

It is a criminal offense to coerce someone into suppressing or failing to report child abuse or neglect.

Responsibilities Regarding Investigations

In accordance with law, District officials shall be prohibited from:

1. Denying an investigator's request to interview a child at school in connection with an investigation of child abuse or neglect;
2. Requiring that a parent or school employee be present during the interview; or
3. Coercing someone into suppressing or failing to report child abuse or neglect.

District personnel shall cooperate fully and without parental consent, if necessary, with an investigation of reported child abuse or neglect. [See GKA]

**ACTION AGENDA ITEM
BOARD MEETING
December 8, 2020**

TOPIC: APPROVE 2020-2021 TARGETED IMPROVEMENT PLANS

BACKGROUND:

The Targeted Improvement Plan (TIP) is an individually developed plan at each campus that identifies and addresses areas of low performance and program ineffectiveness through established annual goals. The plan will also include strategies and interventions to help ensure campuses can effectively meet their annual improvement goals. The TIP includes the data findings, problem statements, and root causes discussed above.

Texas Education Code §39A.055 addresses the requirements for campuses with a “Needs Improvement” Rating. In the following chart, the Texas Education Agency (TEA) has provided guidance for what is required in these specific situations:

- Campuses with a final performance rating of “D” in at least one of the three domains under the state accountability system
- Campuses with an initial overall rating of “D” or below under the state accountability system
- Campuses with a Targeted Support or Additional Targeted Support identification under Every Student Succeeds Act (ESSA)

2020-2021 Campus-Level Performance Intervention Framework

State Intervention Requirements						Federal Intervention Requirements		
Requirement	Domain “D”	1 st Year Overall “D”	1 st Year Overall “F”	2 nd Year Overall “F”	3+ Overall “F”	Additional Targeted Support	Targeted Support	Comprehensive Support
TEA TIP Template Format	No, any format; ex: embed in CIP	Yes	Yes	Yes	Turn-around	No, any format; ex: embed in CIP	No, any format; ex: embed in CIP	Yes
Board Hearing & Approval of TIP	Yes	Yes	Yes	Yes		No	No	Yes

“D” Domain:

For campuses that have received a “D” in a Domain, but have an overall rating of “C” or higher, TEC §39A.0545 requires the Local Education Agency (LEA) to develop improvement plans that are approved by the Board, but that aren’t submitted to TEA. To minimize the planning burden, TEA rules allow for these plans to be developed in any format. As a result, improvement plan language was added to the pre-existing annual Campus Improvement Plans (CIP).

“D” Overall, First Year Overall “F”, or Second Year Overall “F”:

Campuses that have received an overall “D” rating, 1st year overall “F” rating, or 2nd year overall “F” rating are required to develop a targeted improvement plan using the Effective Schools Framework-aligned TIP template identified by TEA. These plans must be approved by the LEA Board, but do not need to be submitted to TEA.

Links to each Targeted Improvement Plan (TIP) will be available on the District’s Intranet at the following web address:

Schools identified by TEA as needing a Targeted Improvement Plan

RATIONALE:

These plans are critically important in our effort to meet the District and campuses' achievement imperatives. To meet the requirements of the Texas Education Code and to demonstrate a singularity of intent and purpose between the District's Strategic Plan and Targeted Improvement Plans, Board approval is necessary.

**ACTION AGENDA ITEM
BOARD MEETING
December 8, 2020**

TOPIC: APPROVE COMPREHENSIVE ANNUAL FINANCIAL REPORT FOR THE YEAR ENDED JUNE 30, 2020

BACKGROUND:

Each year the Texas Education Agency (TEA) requires school districts to prepare its annual financial statements, have the annual financial statements audited by a licensed independent CPA firm, and submit the resulting audited annual financial and compliance report (AFR) to TEA for review. The annual report is due by no later than 150 days after the close of the fiscal year; FWISD's fiscal year ended on June 30, 2020. However, because of both COVID-19 and the Malware Attack in FWISD, the FWISD applied for an AFR Due Date Extension Waiver with TEA with the Fort Worth ISD Board of Education (BOE) approving the AFR waiver on September 22, 2020. TEA extended the due date to January 28, 2021.

TEA requires the BOE to take action to approve or disapprove the District's Annual Comprehensive Financial Report (CAFR). The CAFR has been completed for board review and action prior to submission to TEA on or before January 28, 2021.

STRATEGIC GOAL:

2 - Improve Operational Effectiveness and Efficiency

ALTERNATIVES:

1. Approve Comprehensive Annual Financial Report for the Year Ended June 30, 2020
2. Decline to Approve Comprehensive Annual Financial Report for the Year Ended June 30, 2020
3. Remand to staff for further study

SUPERINTENDENT'S RECOMMENDATION:

Approve Comprehensive Annual Financial Report for the Year Ended June 30, 2020.
