Parent Partnerships Programs - Empowering Families

Missed school days are missed opportunities to learn.

Students who miss an average of 2 days a month are less likely to:

- Read on grade level by 3rd grade
- Pass STAAR tests in middle school
- Stay on track for graduation in high school

Fort Worth ISD's Parent Partnerships team supported chronic attendance for over 20,600 students and parents during 2022-2023.

Program Background

Key Program Facts

Program Overview

Target Student Population(s)	Students with Chronic Attendance Concerns
Strategic Goal	Goal 4: Learning Environment
Parent Partnership Goal	Empower Parents
Number of Students with Chronic Absence Concerns Served	14,393
Overall # of days gained	49,803
Family Engagement Calls	114,000

Program Objective:

Improve student attendance and retention, support academic growth, and enhance well-being by building relationships and home-school connections with parents and families.

PARTNERSHIP

T3 FAMILY
ALLIANCE

Mission

- The T3 Family Alliance is the entry point for families of middle school students to inform, connect, and bridge resources and information between school, community, and families.
- Our program aims to empower and engage families to support their students from middle school endorsement selection to high school credential attainment through career exploration or college admission upon graduation.

Examples of Ongoing Support

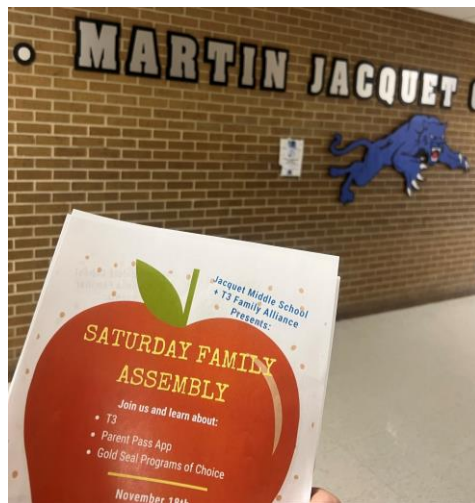

Parent Information Sessions: Open House, Gold Seal Program Information, Gold Seal Application Support, Community Resources, Texas Graduation Plans & Endorsements, Soft Skills Information

Engagement Sessions: Fall Festivals, Donuts with Dads, Curriculum Night, Breakfast with Moms

Communication: Newsletters, Phone Calls, Text, Email
