

Disability support

1 in 4 American adults have a disability. While having a disability can make life stressors more difficult, this doesn't mean you have to cope alone.

SupportLinc can provide articles, tip sheets and other useful resources such as:

- In-the-moment support from a licensed clinician 24/7/365
- Expert, local referrals to physical therapy, chiropractic care and alternative therapies
- Strategies to help cope with a new or chronic disability
- Financial and legal consultations such as social security disability and disability benefits
- Convenience services with referrals for home repair, maintenance, auto repair, pet care and more
