

## **Paschal Brings Home Silver from the State Meet!**

The Paschal UIL Science Team returned from Austin with silver medals, finishing as the second place team in the State of Texas! The Science team has made it to State 6 out of the last 7 years, and won the State Championship in 2011. Just like sports, the science club has dozens of students competing for a spot on the UIL Science Team, with competitions throughout the school year. The team must advance past District and Region to make it to State. The photo below demonstrates this team's passion for learning. Instead of relaxing after defeating perennial powerhouses Highland Park and Arlington Martin, the team spent hours working on their field biology skills (finding and identifying reptiles and amphibians). Congrats to this incredible group of students.

2016 UIL Science Team (from the left):

Carter Dickson, Coach Mr. Brinker, Anand Iyer, Paul Ryu and Wyatt Reeves.

## **UIL Science Team Wins Region!**

The UIL Science team competed in the Region Academic Meet at UT Arlington on Saturday April 23rd. Despite losing to Martin High School at District we advanced to Region as the wild card, and this past Saturday we were able to defeat Martin to advance to the State UIL Academic meet May 23-25 in Austin. Congrats to these hardworking academic athletes!

### **Science Competes at District**

On Tuesday March 5th the Paschal UIL science team traveled to Arlington Martin high school for the UIL District Meet. Paschal had several individual awards including first place in Biology, Chemistry and Physics as well as the top two individual scores (Wyatt Reeves and Paul Ryu). The team placed second but will advance to the regional UIL academic competition at UTA as the wild card.

Joseph Reitman, Paul Ryu, Carter Dickson, Andy Ryu, Wyatt Reeves and Anand Iyer.

## TMSCA STATE Results

On Saturday March 19th, 18 Paschal students competed in San Antonio at TMSCA against schools from across Texas. Our team won **3rd place in the STATE!**

TMSCA is an organization formed by Texas math and science teachers to promote excellence in math and science through competition. It was formed in 1981 to promote uniformity in the practice meets held to prepare students for UIL competition in the spring. Team competition, originally promoted at practice meets, is now included in most of the UIL academic events.

Paschal WON the TEAMS competition at UT Dallas Wednesday. We were up against some of the most elite private schools in North Texas, including: St. Mark's, Cistercian Prep, and Hockaday!

Here is a video of the Team learning they won first place!

The Paschal Science Team traveled to Legacy High School in Mansfield this weekend for the UIL B release.

Here are some of the results:

#### **11/12 Division**

- Science Team took 2<sup>nd</sup> place.
- Wyatt Reeves placed 1<sup>st</sup> in Biology

#### **9/10th Division**

- Science Team won 1<sup>st</sup> place
- Andy Ryu was 1<sup>st</sup> in Biology

- Joseph Reitman 1<sup>st</sup> in Physics
- Andy Ryu & Joseph Reitman tied for 1<sup>st</sup> in Chemistry

### **Paschal Science Team wins UIL A release**

Nearly thirty science club members traveled to Trimble Tech this past Saturday to compete in the UIL A release. Below are some highlights.

#### **Upperclassmen Division**

- First place team
- Top Bio/Chem/Physics - Paul Ryu
- Individual top six all from Paschal
  - 1st Paul Ryu
  - 2nd Wyatt Reeves
  - 3rd Carter Dickson
  - 4th Anand Iyer
  - 5th InHo Kim
  - 6th Jorge Natera

#### **Underclassmen Division**

- First place team
- Top Bio/Chem - Andy Ryu
- Top Physics - Hanwool Yun
- Individual top four from Paschal
  - 1st Andy Ryu
  - 2nd Joseph Reitman
  - 3rd Dan Heo
  - 4th Hanwool Yun

Here are some of the highlights from Virtual Meet #3.

**Science Competition (96 teams 671 students competing):**

3rd place team

1st place overall Physics Wyatt Reeves

1st place 9th grade Andy Ryu

8th place 12th grade biology Carter Dickson

4th place individual Wyatt Reeves

7th place individual Paul Ryu

7th place 9th grade Isaac Ko

13th place 9th grade biology Rebecca Galloway

9th place 9th grade chemistry Jonathan Cena

5th place 10th grade Joseph Reitman  
11th place 10th grade chemistry Dan Heo  
13th place 11th grade science Jorge Natera  
11th place 11th grade biology Quinn Kelley  
14th place 11th grade biology Alexis Salazar  
13th place 11th grade chemistry Anand Iyer
