

# Science Club

**This past weekend the Science team competed at the Regional UIL meet in Lubbock. David Vreeland won both Chemistry and Physics and will be advancing to the State Competition in Austin! Dominic Yurk was two points away from winning biology.**

**As a team we were only two questions away from winning the Regional meet (Martin had a 664 team score and we had a 652).**

**This is the first time a Paschal student has advanced to the State level in UIL SCIENCE!! Congratulate David when you see him!**

**The Paschal Science Team won the District meet this past weekend!  
The top five overall individual scores were all from Paschal!**

- #1 Sai Gourisankar**
- #2 Rayce Yanney**
- #3 David Vreeland**
- #4 Dominic Yurk**
- #5 Erik Nguyen**

**We also had the highest subject scores**

**Biology - Anand Jani**

**Chemistry - Sai Gourisankar**

**Physics - David Vreeland**

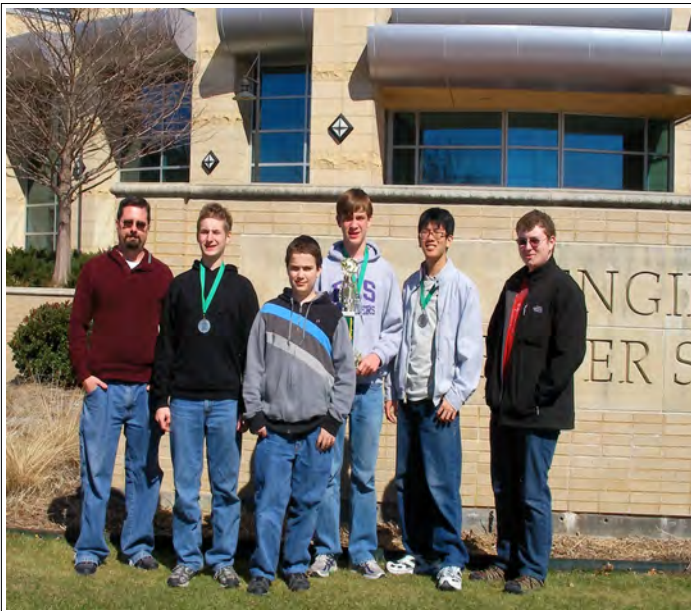

**We will be advancing to the Regional Meet in Lubbock, April 23-24th!**

**Math was just as successful and is made up of primarily the same students!**

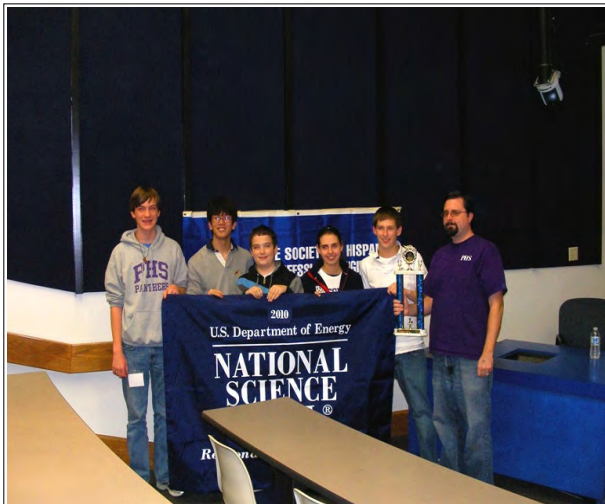

Having fun in San Antonio

R. L. Paschal High School was victorious this past weekend at the Department of Energy Regional Science Bowl, hosted by the University of Texas at Arlington.
