Notice of Rights for Disabled Students and their Parents under Section 504 of the Rehabilitation Act of 1973

The Rehabilitation Act of 1973, commonly referred to as "Section 504," is a nondiscrimination statute enacted by the United States Congress. The purpose of the act is to prohibit discrimination and to ensure that disabled students have educational opportunities and benefits comparable to those provided to non-disabled students.

An eligible student under Section 504 is a student who (a) has, (b) has a record of having, or (c) is regarded as having a physical or mental impairment that substantially limits a major life activity such as learning, self-care, walking, seeing, hearing, speaking, breathing, working, and performing manual tasks.

It is the purpose of this notice to set out the rights assured by Section 504 to those disabled students who do not qualify under IDEA. The enabling regulations for Section 504 as set out in 34 CFR Part 104 provides parents and/or students with the following rights:

3. Your child has the right to free educational services except for those fees that are imposed on non-disabled students or their parents. Insurers and similar third parties are not relieved from an otherwise valid obligation to provide or to pay for services provided to a disabled student. (34 CFR 104.34)
4. Your child has a right to placement in the least-restrictive environment. (34 CFR 104.34)
5. Your child has a right to facilities, services, and activities that are comparable to those provided for non-disabled students. (34 CFR 104.34)
6. Your child has a right to an evaluation prior to an initial Section 504 placement and prior to any subsequent significant change in placement. (34 CFR 104.34)
7. Testing and other evaluation procedures must conform to the requirements of 34 CFR 104.35 as to validation, administration, areas of evaluation, etc. The district shall consider information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition or medical reports, student grades, progress reports, parent observations, anecdotal reports, and state assessment scores. (34 CFR 104.35)
8. Placement decisions must be made by a group of persons (i.e., the Section 504 Committee) including persons knowledgeable about your child, the meaning of the least-restrictive environment, and comparable facilities. (34 CFR 104.36)
9. If eligible under Section 504, your child has a right to periodic reevaluations, generally every three years. (34 CFR 104.35)
10. You have the right to notice prior to any action by the district in regard to the identification, evaluation, or placement of your child. (34 CFR 104.36)
11. You have the right to examine relevant records. (34 CFR 104.36)
12. You have the right to an impartial hearing with respect to the district's actions regarding your child's identification, evaluation, or educational placement, with the opportunity for parental participation in the hearing and representation by an attorney. (34 CFR 104.36)
13. If you wish to challenge the actions of the district's Section 504 Committee in regard to your child's identification, evaluation, or educational placement, you should file a written Notice of Appeal with the district's Section 504 Coordinator within 30 calendar days from the time you receive written notice of the Section 504 Committee's action(s).
