

TABS Social Studies Dept. Meeting. – Oct. 12

- Prepare for PSAT
 - Will miss day of class; plan accordingly for asynchronous that day
 - Benchmarks next week will also interfere with schedule
- Struggling students
 - Freshman team has been working with this a lot
 - Better results compared to one year ago
 - DC drop deadline in less than month
- Thinking about US History STAAR test
 - Spring semester study class? Which students?
 - Already have two sections of regular U.S. History; not clear if any students will be added to them from DC.
