

Valentine's Day Activities With Your AAC Device

Try these four Valentine's Day activities while using an AAC device. Focus on the different words and sentences or phrases you can model with each activity.

Valentine's Day Card

Items you'll need: Paper, scissors, glue, markers/crayons, stickers

Words: Love, pink, heart, hug, paper, glue, scissors

Sentences/phrases: I love you, I want (color), Cut the paper, The heart is (color)

Activity: Create a Valentine's Day card to give to someone. Ask them “who” it is for, what color paper and markers/crayons they want to use, how they want to decorate it. Model the words on their device.

Valentine's Day Baking

Items you'll need: any cupcake mix from the store, cupcake tin, baking cups

Words: make, bowl, spoon, pour, colors, eat, help

Sentences/phrases: Make cupcakes, It is yummy, Pour it in, Can I help?

Activity: Make cupcakes together! Talk about the steps to make it and the ingredients you are using. Model these words on the device. After they are made, eat the cupcakes together and talk about if they are “yummy” or “good.”

Say What You Love!

I LOVE to eat ____.

I LOVE to play ____.

I LOVE the color ____.

I LOVE ____.

Activity: Finish each sentence above with the things you love most!

Read a Valentine's Day Themed Book

Words: read, book, your book's specific Valentine's Day related words

Sentences: Turn the page, Let's read again, I like this book

Activity: Model the words and pictures you see in the book on the device. Program some of the device user's favorite books on the device and let them pick which one to read.
