Notes

February is for celebrating others and ourselves by focusing on how we are the "same" and how we are "different". We will celebrate how unique the people around us are by identifying different groups of people and focusing on what makes them "special". We will look at people near and far and discover that wherever we go people are "different", "special" and often the "same" as me! We finish off February with a "wish"...if I could meet a new friend what "special" qualities would they possess. Ideas for learning about uniqueness...[Love Monster](#), [Ruby Bridges](#), [Coming To America](#) (Native America).
