Jen Klauss, Executive Director of Secondary Teaching and Learning, stated the World Language adoption committee ran a full scale instructional materials adoption process in the 2021-2022 school year, but Spanish 3 materials were not ready for publication at that time. The decision was made to postpone adopting Spanish 3 instructional materials until all materials and available to field test. Staff conducted field tests included piloting two programs and evaluating them based on course goals. ### **3.2 K-5 English Language Arts (ELA) Adoption**

Derek O’Konek, Executive Director of Elementary Teaching and Learning, and Kristina Tucker, English Language Arts (ELA) Coordinator, and K-5 ELA adoption committee members shared their material selection process. The committee began working in January of 2023. As part of the adoption process, the committee reviewed current Washington State learning standards for ELA; researched best practices in the Science of Reading and structured literacy instruction; and utilized the Reading League Curriculum Evaluation Guidelines and the Grade Level Instructional Materials Evaluation Tool in reviewing ELA instructional materials. In the spring of 2023, the committee selected two materials to field test for the 2023-2024 school year. Upon completion of the field test and evaluation, the committee presented their final ELA instructional materials recommendation to the IMC. The IMC is recommending the following instructional materials for adoption: *Amplify Core Knowledge Language Arts (CKLA) Program for grades K-5*. Board discussion followed.

It was moved by Katrina Waters and seconded by Jill Oldson –

Tory Christensen, Assistant Superintendent of Secondary Education, explained the administration is proposing a new Policy and Procedure No. 2028-Therapy Dogs in Schools. Therapy dogs have been integrated in the District recently and a policy, procedure, and a student opt-out form was requested. This is a Richland School District only policy/procedure. Washington State School Directors' Association does not have a corresponding policy/procedure. Handlers must submit paperwork, similar to the procedure for volunteers in the District.

It was moved by Bonnie Mitchell and seconded by Jill Oldson –

THAT THE BOARD OF DIRECTORS APPROVE POLICY/PR. NO. 2028-THERAPY ANIMALS IN SCHOOLS FOR FIRST READING.

Vote: Waters, yes; Mitchell, yes; Beck, yes; Oldson, yes; Jansons, yes

### **3.4 Policy No. 1250-Student Representatives to the Board of Directors**

Ms. Oldson opened the conversation regarding Student Representatives to the Board of Directors. Members and students shared ideas for possible revisions. Discussion included:

- term of office, 1 year vs 2 year (junior option to reapply after 1 year)
- students to represent different schools
- WSSDA recommendations for onboarding process
- Participate on the student advisory committee

- interview team participants
- meet monthly/quarterly with a board member
- input/feedback from student-set process
- excuse students from school for meeting times
- student advisory votes on policies impacting students
- parent/guardian chaperone for travel

Mr. Jansons stated since interviews are planned for next week, changes should not be made at this time. There was consensus to include two Board members, the Superintendent, the Assistant Superintendent, and current Student Representatives on the interview team. The team will bring back their choice to the Board. The policy will be brought back to the Board for review at a later date.

Dr. Redinger will also ask for input at the Student Advisory meeting later this week.

### **3.5 Policy No. 5400-Personnel Leaves**

Revisions include changing the numbering from 5322 to 5404 to be in alignment with WSSDA's number. The District has used the WSSDA policy as a foundation for updating the District policy, however, the updates to the policy and procedure are consistent with District collective bargaining agreements.
