Economy is the theme this month. What do you want? What do you need? Can I have it? Focus in on goods and services. What goods are produced and where can we get them? Plan a Spring class event or trip by using a budget. Work together to decide what you will need, want and what you cannot have based on available money. How can you get a discount on goods and services? Use coupons, price comparisons and the barter system. Most of all...have FUN!
