

## STUDENT: My FWISD Portal via ClassLink

### Introduction

Use the My FWISD Portal via ClassLink to access Fort Worth ISD online digital tools.

Note: Before getting started here please ensure you have reset your student password at <https://www.fwisd.org/studentpasswords>

### Signing In

1. Go to <http://fwisd.org/myfwisd>.
2. Click the **Sign in with Microsoft** button.

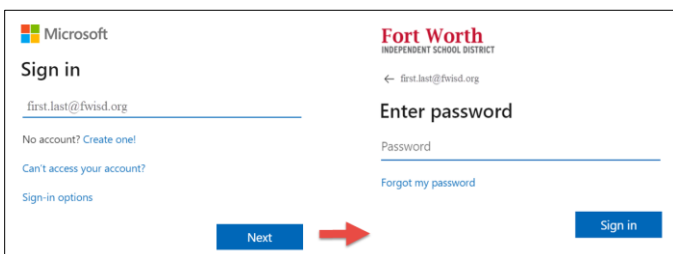

3. Enter your **FWISD student email address** and password.

**Username:** FWISD student email address

Format is the letter S plus the student ID number and the extension **@stu.fwisd.org**.

Example: **S010101@stu.fwisd.org**

**Password:** the new password

### My Apps

My Apps is the first view after logging into ClassLink LaunchPad.

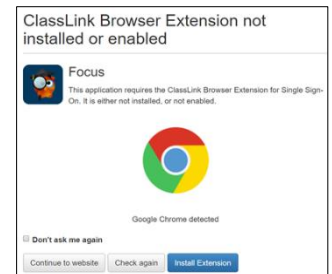

### ClassLink Overview

The following provides a general overview of ClassLink. Find the user guide [here](#).

### Browser Extension

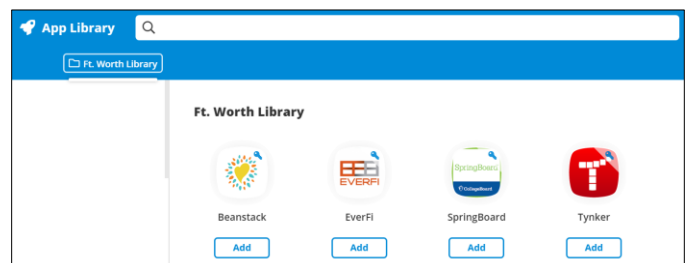

The **ClassLink Extension** is used to access some Single Sign-on applications. If the extension prompt appears, click the **“Install Extension”** link and follow the installation instructions.

### App Library

The **App Library** contains many educational resources. ClassLink has the ability to link you seamlessly to your various web accounts from within ClassLink.

To explore the **App Library**, click the **Plus (+)** sign at the top left of the screen to open the App Library and search.

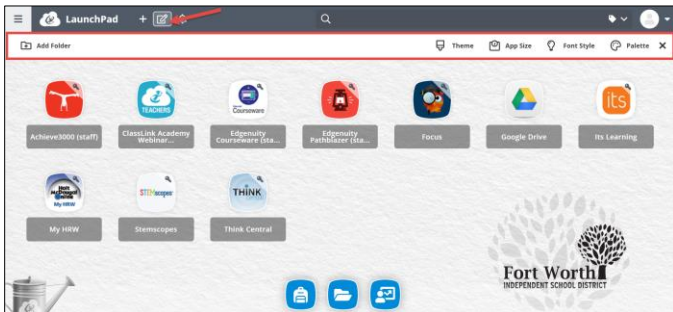

## STUDENT: My FWISD Portal via ClassLink

### Edit Mode

**Edit mode** allows you to customize the My Apps portal. When using edit mode, you can rearrange apps, create folders, and add new apps from the App Library.

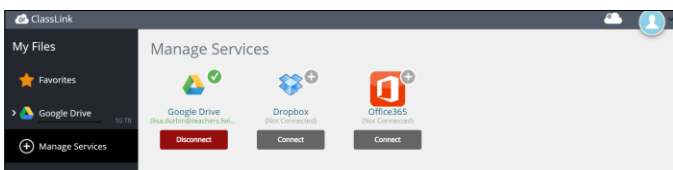

Click on the **paper and pencil icon** on the top left of the webpage to enter edit mode.

### My Files

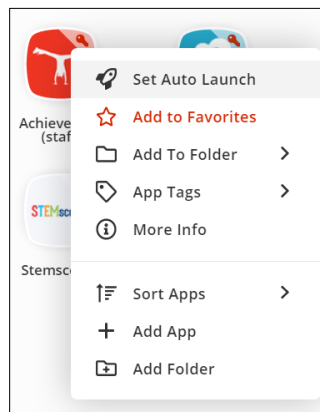

My Files allows you to connect your Cloud services in ClassLink to access all your files in one location.

To connect your **Cloud service**, click on the **collapsed menu** ≡ at the top left of the app and click on My Files. Follow the on-screen instructions to connect.

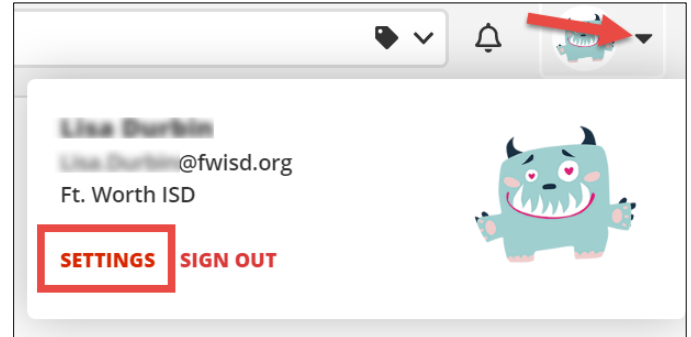

### Shortcut Options

Right Click on an app to add it to your favorites bar, add to a folder, tag it for easy filtering, or set up to AutoLaunch.

### Settings

Click on the drop-down menu next to the silhouette icon at the top right of the app to access the app settings. Here you can update your profile picture, customize the theme of your launchpad and access your password locker.

### Online Help

Find additional ClassLink resources for how to use your ClassLink account by clicking on the Support Docs in the collapsible menu at the top right of the app.
