| <p>Words of the Week (WOW) is designed to help parents and educators teach Core Vocabulary by focusing on words and concepts each week and month. WOW seeks to provide students with increased exposure and opportunity to core words. There are 36 core words cycled through once every nine weeks. The cycle allows you to teach these words at least 4 times per school year! This WOW calendar is designed to support implementing core words through lesson plans, routines and daily life. Larger sized icons can be created using "Write with Icons". If you have fun ideas and activities to share, email us so we can add them to this site! Most importantly, HAVE FUN! kellie.cullen@fwisd.org</p> | | | | | | |
