

FORT WORTH ISD PSYCHOLOGICAL SERVICES

I N T E R N S H I P S

Experience

Fort Worth ISD provides internship opportunities at both specialist and doctoral levels with the guidance and mentorship of two experienced supervisors.

Setting

Fort Worth is a large, urban district with a diverse student population offering a wide variety of experiences and opportunity to train in specific areas of interest.

Support

Interns will receive extensive support from various specialists, which will equip them with valuable skills and prepare them for success in their careers.

Paid Internship

Interns are considered full-time employees and receive a salary in addition to being eligible for benefits and retirement benefits.

Pamela Cioffi, PhD, LP, LSSP

Director of Pre-Doctoral Training
pamela.cioffi@fwisd.org

Fort Worth ISD's carefully and strategically-designed internship provides extensive opportunities to develop the skills necessary to be an effective Licensed Specialist in School Psychology (LSSP). Experienced supervisors guide you through addressing the needs of a diverse student population, while meeting state and national standards. We provide the necessary training and support to prepare graduating students for full-time employment or post-doctoral studies.
