

Department Support Guide

Family Resources

Provide support to campuses with PTA/PTO, Refugee Assistance, Food Pantries, Attendance Stores and Care Closets

Parent Classes

Provide a catalog of parent classes that support parental involvement activities and student academic achievement

Zero to Five Program

Empower parents through parent education and modeling of best practices to improve the health and well-being of families during early childhood development.

Family Engagement Specialists

Partner with campus administrators to create events and activities that will engage families and communities. These events and activities will be intentionally designed to elevate attendance and empower family-school partnerships. Family Engagement Specialists also collaborate with parents and school staff to support and improve the learning, development and health of all children.

Implementation

- Align parent classes to campus improvement plan
- Conduct chronic attendance calls and home visits
- Facilitate parent classes
- Connect parents to resources
- Assist with student arrival or dismissal to greet and build relationships with parents and keep them connected to campus wide & community events
- Helps create a technology-driven culture by educating families and partners regarding District opportunities and communication tools (Parent Portal, District App, Campus website).
- Communicates with campus Principal and other campus staff to exceed Title I mandates: parent policy, parent notifications, parent compacts, meetings, and events.
