**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Education  
Douglas County School District No. Re.1  
Douglas County, Colorado

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Douglas County School District No. Re.1 (the District), as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated December 7, 2021. Our report includes a reference to other auditors who audited the financial statements of the District's Charter Schools, discretely presented component units, as described in our report on the District's financial statements. This report does not include the results of other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Education  
Douglas County School District No. RE.1

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND  
REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
REQUIRED BY THE UNIFORM GUIDANCE**

Board of Education  
Douglas County School District No. Re.1  
Douglas County, Colorado

**Report on Compliance for Each Major Federal Program**

We have audited Douglas County School District No. Re.1's (the District) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the District's major federal programs for the year ended June 30, 2021. The District's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for each of the District's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the District's compliance.

***Opinion on Each Major Federal Program***

In our opinion, the District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

### **Report on Internal Control Over Compliance**

Management of the District is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance**

We have audited the financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Douglas County School District No. Re.1 as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements. We issued our report thereon dated December 7, 2021, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

**Douglas County School District RE. 1**

**Notes to Schedule of Expenditures of Federal Awards  
Year Ended June 30, 2021**

---

**Note 1. Basis of Presentation**

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Douglas County School District RE. 1 (the District) for the year ended June 30, 2021. The schedule does not include the federal grant activity of the District's Charter Schools, discretely presented component units. All federal awards received directly from federal agencies, as well as federal awards passed through other governmental agencies, are included in the schedule. The information in this schedule is presented in accordance with the requirements of Title 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements. Because the schedule presents only a select portion of the operations of the District, it is not intended to and does not present the financial position or changes in net position of the District.

**Note 2. Significant Account Policies**

The accompanying schedule of expenditures of federal awards is presented on the modified accrual basis of accounting. Expenditures of federal awards are recognized in the accounting period when the liability is incurred. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, where in certain types of expenditures are not allowable or are limited as to reimbursement.

**Note 3. Noncash Assistance**

The schedule includes federal awards in the form of noncash assistance (food commodities) received during the year in the amount of \$790,413 from the U.S. Department of Agriculture passed through the State Department of Education and the State Department of Human Services - CFDA No. 10.555. The commodities are recognized as expenditures when used by the schools and are valued at current market price.

**Note 4. Subrecipients**

For the year ended June 30, 2021, the District did not pass through any federal grants to subrecipients.

**Note 5. Indirect Cost Rate**

The District has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

**DOUGLAS COUNTY SCHOOL DISTRICT NO. RE.1  
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS  
YEAR ENDED JUNE 30, 2021**

---

***Section IV - Prior Year Audit Findings***

---

Douglas County School District Re. 1 respectfully submits the following summary schedule of prior audit findings for the year ended June 30, 2021.

Audit period: June 30, 2021

The findings from the prior audit's schedule of findings and questioned costs are discussed below. The findings are numbered consistently with the numbers assigned in the prior year.

**FINDINGS—FINANCIAL STATEMENT AUDIT**

**2020 – 001**

**Condition:** During fiscal year 2020, it was noted the District improperly recognized revenue in fiscal year 2020 for family deposits in the Child Care Fund 29. Revenue was being recorded for childcare days enrolled in by families, but not yet used by the families.

**Status:** Corrective action was taken on this finding. The District revised its year end close checklist to include verifying any changes to policy with all enterprise fund managers. Corrective action was taken by Jana Schleusner, Director of Finance, in December of the year ended 2020.

**FINDINGS— FEDERAL AWARD PROGRAMS AUDITS**

**2020 – 002**

**Condition:** During our testing, we noted a total of \$9,190 of charter school purchases that occurred outside of the period of performance for the federal award, March 1, 2020 through December 30, 2020.

**Status:** Corrective action was taken on this finding. The District adjusted the practice to instead reimburse charter schools quickly and not pass through funds in total. This allows the normal review process to function as designed. Corrective action was taken by Jana Schleusner, Director of Finance, in February of the year ended 2021.

**2020 – 003**

**Condition:** During our testing, we noted a total of \$306 of payroll costs charged to the federal award that were not necessary expenditures due to the public health emergency that were not accounted for in the government's most recently approved budget.

**Status:** Corrective action was taken on this finding. Due to the timing and nature of this grant, the process occurred outside of normal District process and procedure. If the District must operate outside of the normal process, they now ensure a thorough review of all calculations and assumptions is completed before posting. Corrective action was taken by Jana Schleusner, Director of Finance, in February of the year ended 2021.

If there are any questions regarding this schedule, please call Jana Schleusner, Director of Finance, at 720-433-1101.
