## **DCSD CLOSED - Thursday, March 14, 2024**

The Douglas County School District will be CLOSED on Thursday, March 14 due to forecasted weather conditions which include heavy snow.

This decision is being made early as a precaution to provide DCSD staff and families time to prepare. As this closure is being made based on weather forecasts – making the call early increases the chance that the snow could be less than projected. If snow totals truly reach forecasts of one to two feet, it is unlikely that residential roads, parking lots, bus terminals, etc. would be cleared in time for Friday. DCSD will continue to monitor the weather and forecasts.

As always, in the event of a closure, all DCSD buildings are closed.

- Preschool, elementary, middle school, and high school classes are cancelled
- BASE programs are closed
- Classes at the **Bridge Program, D.C. Oakes, Eagle Academy, eDCSD and Plum Creek Academy** are cancelled
- All activities, events, sports, and facility rentals are cancelled

If your child attends a **DCSD charter school**, we encourage you to check in with your school.

The DCSD snow team is continuing to monitor the storm. Any updates will be shared on the DCSD website, social media, and mobile app.
