DCSD Home to an Additional National Merit College-Sponsored Scholarship Winner

The National Merit Scholarship Corporation released the names of the fourth and final group of winners in the 2023 National Merit Scholarship Program. Officials of each sponsor college selected their scholarship winners from among the National Merit finalists who plan to attend their institution. These awards provide between \$500 and \$2,000 annually for up to four years of undergraduate study at the institution financing the scholarship.

Congratulations to Anna Wilding from Rock Canyon High School. Anna plans to study aerospace engineering at Wichita State University.

In addition to college-sponsored awards, two other types of National Merit Scholarships were offered - National Merit \$2,500 scholarships and National Merit Corporate-Sponsored scholarships. Those winners were announced earlier this year.
