## **DCSD Staff Member Recognized as a LifeChanger of the Year**

Douglas County School District is proud to announce that Jill Bull has been selected as a LifeChanger of the Year award winner. Jill is currently a Counselor at Cimarron Middle School. As an award recipient, Jill will receive a \$3,000 cash prize to share with her school as well as national recognition.

LifeChanger is a national program that recognizes educators for the positive difference they make in the lives of their students, for being a leader in the school community, for exemplifying excellence as an educator and for creating a nurturing atmosphere in our schools. Awards are funded by the National Life Group Foundation. Together, National Life Group and LifeChanger of the Year aim to shine a light on all the good that happens in schools across the country.

Jill has spent 33 years in education - nine years as a teacher and 24 years as a school counselor. She has served on the Colorado School Counselor Association's Board of Directors and was named the Middle School Counselor of the Year by the Colorado School Counselor Association.
