Shortly after dismissal today, Northeast Elementary School in Parker lost power at the building. CORE Electric informed staff that repairs will not be completed in time for school tomorrow. **In order to ensure the comfort and safety of students and staff, Northeast Elementary will be CLOSED tomorrow, Friday, January 20.**

All activities at Northeast Elementary School, including any scheduled before and after school activities, are also canceled.

The BASE program at Mountain View Elementary, which is used by many Northeast Elementary families, will be open tomorrow for before and after school care only. BASE will not be open for full day care tomorrow.

Further updates, including the status of school for Monday, will be provided to Northeast Elementary families and staff as soon as repairs are finished and power has been restored to our building.
