The National Merit Scholarship Corporation released the names of the fourth and final group of winners in the 2022 National Merit Scholarship Program. Officials of each sponsor college selected their scholarship winners from among the National Merit finalists who plan to attend their institution. These awards provide between \$500 and \$2,000 annually for up to four years of undergraduate study at the institution financing the scholarship.

Congratulations to the following DCSD students:

- Samantha Wendell, Castle View High School - plans to study Chemical Engineering
