

JUNE 3-JULY 25, 2024

A 7-week Blended In-person/Virtual Education Program

St. Clair County School System is proud to announce a great opportunity for students who failed required grade-level course work during the 2023-24 school year. The SCC Summer School Program will be partially funded through remaining COVID Pandemic funds. This remaining funding will bring the cost to families to \$150 per course. Contact your local school counselor or call the Virtual Prep Academy for more information.
