**Re: DCSD; Teddy Lane Building
9350 Teddy Lane in Lone Tree, Colorado
Radon Sampling Assessment**

Dear Mr. Nannestad:

Quality Environmental Services & Technologies Inc. (QUEST) is pleased to assist Douglas County School District with the ongoing radon survey of its schools. At your request, QUEST conducted radon testing at Teddy Lane Building, located at 9350 Teddy Lane in Lone Tree, Colorado.

Thirty-two (32) AirChek radon test kits were placed on October 2, 2023, and they were retrieved on October 4, 2023. The attached laboratory results specify radon concentrations to be all within the EPA guideline of 4 pCi/L for acceptable radon concentrations.

If you have any questions, or if we may be of additional assistance, please contact QUEST, Inc. at 303-935-1573. We look forward to our continued association.

Sincerely,
