**Re: Cherry Valley Elementary School
9244 CO-83 in Franktown, CO 80116
Radon Sampling Assessment**

Dear Mr. Nannestad:

Quality Environmental Services & Technologies Inc. (QUEST) is pleased to assist Douglas County School District with the ongoing radon survey of its schools. At your request, QUEST conducted radon testing at the Cherry Valley Elementary School, located at 9244 CO-83 in Franktown, Colorado.

Seven (7) AirChek radon test kits (including 1 duplicate) were placed on April 7, 2021 and were retrieved on April 9, 2021. The attached laboratory report identifies that radon concentrations in all tested locations were within (below) the EPA guideline of 4 pCi/L for acceptable radon concentrations.

If you have any questions, or if we may be of additional assistance, please contact QUEST, Inc. at 303-935-1573. We look forward to our continued association.

Sincerely,
