**Re: Larkspur Elementary School
1103 Perry Park Ave. in Larkspur, CO 80118
Radon Sampling Assessment**

Dear Mr. Nannestad:

Quality Environmental Services & Technologies Inc. (QUEST) is pleased to assist Douglas County School District with the ongoing radon survey of its schools. At your request, QUEST conducted radon testing at the Larkspur Elementary School, located at 1103 Perry Park Avenue in Larkspur, Colorado.

Forty-nine (49) AirChek radon test kits (including 4 duplicates and 3 blanks) were placed on March 30, 2021 and were retrieved on April 1, 2021. The attached laboratory report identifies that radon concentrations in all tested locations were within (below) the EPA guideline of 4 pCi/L for acceptable radon concentrations.

If you have any questions, or if we may be of additional assistance, please contact QUEST, Inc. at 303-935-1573. We look forward to our continued association.

Sincerely,
