

**FLHSA Meeting  
February 16, 2023**

**Attendance - Yalda Bahari, Michelle Brooks, Colette Dow (on Zoom), Farah Hoyt, Kyle Kaino, Jen Kothari, Kristen Valente**

**Excused - Sharon Luppino**

**Guests - Sue Ostrofsky, Kristy Emery**

**Meeting began at 9:00am**

**Administration Update**

Ms. Emery and Mrs. Ostrofsky outlined plans for an assembly regarding the effects of drug use - Hidden in Plain Site - on March 7, 2023.

Tessatori presentation set for XXX. There will be presentations during the day for all the classes and a parent presentation in the evening.

Discussed the kiosk. Appears to be moving forward. Machines have arrived. Expect to be opened during lunches to alleviate flow and after school. It is expected to provide grab and go and hot food.

New Fox logo - administration is reviewing whether to change/alter the current logo. Possibility of having a fox logo for District-wide and one for athletics. Others believe the logo should be consistent. There is a committee looking into this.

**Mini-grant request - Math**

Math grant - Jen asked if she could pay directly for the t-shirts which was agreed by Kristy and Sue. Jen also asked if this is something that could fall under the Science Research Grant.

**Fox Night/Foxpallooza - May 5/Raindate May 6**

Adam Lodewick is planning event. Communication must be made to towns to ensure there are no conflicts with other big town events. Sports all day on Saturday - Homecoming for all sports. Cinco de Mayo on May 5 - is this an issue?

**Budget**

School store is doing fantastic. Need to be sure we coordinate between vending machines, kiosk and school store. Large invoice coming. Benches done. Online directory - FLMS is still planning splitting away from FLHS and no longer using Classroom Parent. This is concerning and makes it more complicated to transition data from FLMS to FLHS when students move up. Jen will follow up. Budget looks healthy but Jen cautioned due to 2 large grants - \$5000 for senior class and \$5000 for Science Research.

Kristy asked if graduation brunch will be in conjunction with cap n gown distribution which was confirmed and we will be doing the red carpet event/parent event for senior prom.

**Mini-grant requests - Math & Tessatori Presentation**

Mrs. Bazzano requested \$500 for t-shirts for a school wide math event - Pi Day.

- Mrs. Emery to go back and discuss utilizing the funds for something more student centered/focused.
- Approval on hold until we hear back from Kristy.

Mrs. Pirro requested \$500 to help fund the Tessatori presentation. - Board passed unanimously.

**Teacher Appreciation Lunch** - Michelle Brooks requested March 30th with baseball theme.

Give out free hot dogs and pretzels. Kristy will speak with Aramark about getting the hot dogs and pretzels done. Sports Boosters to provide ice cream/ices in some form - baseball cap cups, old style cups with wooden spoons, ices, etc.

**Meeting ended at 10.10 am.**
