Meeting began at 9:30

Finance Report - Jen Kothari (See attached budget activity report)

- No Senior Citizen Brunch for 2022-23.
- Reimbursed Lucia \$600.
- Library Supervision - Ms. Emery reported this was successful and helpful last year . FLHSA provided the stipend for two aides - one on Monday and one on Wednesday. Will track attendance this year and then perhaps include in the FLHS budget going forward.

Mr. Cullagh and Ms. Bazzano joined meeting and requested agendas for all students. After discussing it - suggested to meet with FLMS and start giving out agendas there ASAP. Perhaps give out to 9th and 10th grade only and sell in school store. Dr. Miller had some thoughts and was going to come back to FLHSA.

Homecoming Dance - October 14 – 7 - 10pm. Tickets will all be pre-sales. No sales at the door. Tickets \$15 until October 7, \$20 thereafter. Will sell tickets through October 11. No tickets sold thereafter.

Angela Alvarado (Student Assistance Counselor) joined the meeting and reported that her mandated cases doubled in the last year. What do we need to do to help parents? Are they asking for anything specific? Looking for insight/feedback/guidance on what could be done differently – input from both students and parents would be very helpful.

Connecting the Dots – movie screened at Bedford Playhouse on September 15 was well received and started.

Insurance – need to confirm if the FLHSA policy has Directors and Officers coverage.

Meeting ended at 11:15.
