

Sierra Vista Elementary School
2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Our school commitment is in support of student academic and social growth with a collaborative process among Educational Partners - staff, students, and parents focused on our Arvin Union School District mission statement. "Every Child Learning Every day, No Matter What It Takes!" Sierra Vista Elementary is committed to enhancing learning for all Sierra Vista students with an emphasis on higher order critical thinking skills. We believe the key components that favor quality results and improvement include rigorous instruction that is flexible enough to support all students' learning, provide opportunities for students to apply and practice problem solving in all academic areas, and support for a faculty of lifelong learners who work together and positively share effective instructional strategies with planning. Sierra Vista is committed to a rigorous educational program with high academic expectations. Our team holds a vision for excellence to meet the diverse social and academic needs of students with outstanding resources. Our resources include dedicated and highly trained teaching professionals, well prepared and eager students with an appetite for learning, a talented and supportive parent community, and a vision for education that demands commitment and support for academic excellence. Our goal is to continue to provide opportunities for all students to obtain the skills, knowledge, attitude, and values they need to reach their full potential as productive citizens prepared for the 21st century. Student voice and choice are very important. Sierra Vista's behavioral expectations are: Be Safe, Be Respectful, Be Responsible, and Be Ready to Learn in a fair and equitable manner. Sierra Vista Elementary is committed to consistently creating a safe, challenging, and joyful learning environment where all individuals are treated respectfully and are valued members of the school community.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Arvin Union School District held a Public Hearing on August 15, 2023 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Language Learners (ELL), are given their own individual standards-aligned textbooks in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available.

Arvin Union School District staff members are actively involved in the selection process of materials and textbooks. The selection process involves teachers, administrators, district support personnel, and parents. The district follows the State of California's Textbook Adoption Cycle. 100% of students had appropriate textbooks as evidenced by the most recent August 2023 Williams Review.

School Facility Conditions and Planned Improvements

Sierra Vista Elementary School consists of 41 classrooms, a multipurpose room/cafeteria, a staff room, two playgrounds, an administrative office, library and Parent Center. The facility strongly supports teaching and learning through its ample classroom and playground space. Modernization construction has provided 2 new modular classroom buildings and continued modernization will renew the Sierra Vista campus with the next step being the completion of a new multi-purpose room. Access for the American Disabilities Act is extensive with new construction.

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available upon request from the district MOT office. Site administration works closely with Lead Maintenance person and custodial staff to implement cleaning schedules to ensure a clean and safe school.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. An online work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Sierra Vista continues to receive regular maintenance and repairs to ensure students, staff, and parents enter grounds and classrooms in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	17	17	15	17	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

The success of Sierra Vista Elementary is in large part due to its tradition of strong parent support and participation. Parents are active participants in our School Site Council, which works with the administration to help make decisions on the School Plan for Student Achievement and School Safety Plan with ongoing monitoring. Parents of English Learners are vital to our English Learner Advisory Committee (ELAC) and to our outreach efforts on behalf of new families. We have many opportunities for parents to participate in many parent portals of our school. We encourage parents to communicate frequently with any questions or concerns. Sierra Vista parents always feel welcomed and are free to express their ideas and suggestions to help improve our school. Our monthly Coffee with the Principal has been a great success in having an open line of communication between parents and administration in reaching our goals for students' success and making positive growth in all domains. Parenting Workshops have supported our parents in parenting skills, healthy meals, Latino Literacy Classes and SV AVID Parent Nights to help our Sierra Vista Cougars in both Social Emotional needs and Academic needs. We are very thankful for the dedication of our parents at Sierra Vista Elementary. Our contact phone number is 661-854-6561. Please ask to speak with Rosemarie Borquez, Principal.

2023-24 School Safety Plan

Sierra Vista Elementary School's Comprehensive School Site Safety Plan was revised by school administrators, staff representatives, parents on December 5, 2023 and discussed with students in January 2024. The plan is pending school board approval on Feb 21, 2024. This plan is put in action to ensure the protection of students and staff, the protection of school and school property, and to establish a climate that is conducive to learning. All staff members and parents have access to the plan and annually review the school site safety policies. Key elements of the safety plan include: developing consistency in behavior expectations, site safety and maintenance, and training in disaster response.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire drills and other drills such as: Lockdown, Lockout, Evacuate, and Shelter in Place are held once a month while 3 in 1 drills or Lockdown, Shelter in Place and Evacuate drills are held per trimester. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations, and emergency supplies are available.

Students are supervised throughout the day by certificated and classified employees. There is a designated area for student drop-off and pick-up in front of the school, the pre-school/kindergarten/first gate, 2nd/3rd grade gate, 4th/5th/6th grade south east gate and back office gates. All visitors register at the office and receive identification badges utilizing the Raptor system.

Fiscal Year 2022-23 Types of Services Funded

Local Control Funding Formula (LCFF) funds provide stable, on-going resources for the district. These resources provide basic necessary personnel at school sites and for district services. Maintenance set-asides support facility upkeep, transportation funds provide busses and drivers for many of the district's students outside the walking areas, and cafeteria funds provide Community Based Eligibility meals to all students. LCFF Supplemental and Concentration funds, which are provided above and beyond base funding and are prioritized to support equitable outcomes for all students, provide monies to address needs identified through a strategic planning process and allocated to meet targeted goals and metrics determined both by the site and locally. These funds allow the district and sites to focus on expanding staffing, provide professional development, improve instructional programs to support academic achievement, improve student attendance, train staff to support building respectful and positive relationships, expand intervention programs and wrap-around services for mental and physical health, and facilities improvement for school sites. Funds specifically targeted to the school site included action steps for extended learning sessions, library upgrades, intervention teachers and intervention computer programs, classified student success staff, elementary PE teachers, nurses, social workers, district teachers on special assignment, field trips, and professional development. These funds are in addition to federal funds including Title 1 funds with set-asides for Extended Learning and Parent Involvement.

Parent Involvement allocations from various funding sources allow us to continually build our outreach and training services for parents. District and site based intervention programs and support staff are funded out of Title I. Title II supports one additional teacher at each elementary site for class size reduction and Title III provides aides specifically for our campus as well as support staff and Professional Development for teachers and instructional assistants. Title IV funds have supported technology and professional development, campus supervisors, and a focus on safety. Special Education funds, supported with general funds, provide programs and transportation for students with special needs at our site including teachers and instructional assistants for Special Day Class, Resource Specialist Program and Speech services. Increased grant funds for programs outside regular school hours including Expanded Learning Opportunity, ASES and 21st Century allow the district to serve an increased number of students in continuing and new extra hours programs. State preschool funds provide both AM and PM classes at two sites to support student readiness for school.

In addition to the funding sources listed above, significant funding has been received to mitigate the effects of COVID and interrupted learning. The short-term budget for the Arvin Union School District has almost doubled with the influx of ESSER, Expanded Learning Opportunity, American Rescue Plan, In-Person Instruction Funds, and COVID Response Funds. These funds supported significant infrastructure upgrades, additional days of instruction and professional development, materials, and the hire of additional personnel to support safety, social-emotional support, technology impacts, and instruction. Technology including ensuring 2 to 1 Chromebooks at the elementary level and 1 to 1 Chromebooks at the middle school and augmenting resources at the school site was a priority. In addition, structures and safety materials to support social distancing and promote COVID prevention have been and will continue to be funded as needed.

Additional state and local funding including P3CC, Community Schools Planning Grant, and First 5 support grant specific actions throughout the district and this site.

Professional Development

2021-2022 Professional Development: District-wide training supported building awareness of frameworks and standards as well as modeling and supporting instruction in Math and Mathematical Practices, Designated and Integrated ELD, and Science instruction. Mandatory policies and safety/clearing training included use of Personal Protective Equipment/safety measures and cleaning routines. Teachers on Special Assignment supported classroom management, AVID, integrating technology, new teacher training, and standards-based instruction. Four professional development days were scheduled at the beginning of the year with an additional 3 days scheduled mid-year for instructional staff. In addition, three days were added for staff new to the district to ensure knowledge of district structures and expectations for implementation of district wide strategy implementation. One day is dedicated each year to Dual Immersion and Special Education training in conjunction with new teacher training dates.

2022-2023 Professional Development: The district School Board has developed an equity statement which significantly focuses our foundational work on the development and implementation of Multi-Tiered supports. Topics are further developed through survey results, data reviews of local and Dashboard data focused on patterns and trends, instructional materials adoptions, and preventative safety measures/restorative practices. Professional development is supported by peer to peer collaboration, site academic coach and/or administration support, district personnel including Directors and Teachers on Special Assignment, as well as external sources such as consultants. Mandatory policies were reviewed with the inclusion of Get Safety Trained Sexual Harassment/Child Support Prevention Training/Bloodborne Pathogen, Injury and Illness Prevention/Pesticide Training and Homeless/Foster program requirements. These were all provided in a virtual learning format. District-wide instructional support continued the previous year's focus on Math and Mathematical Practices, English Language Development, and behavior/Social emotional learning foundations. Teachers on Special Assignment supported classroom discipline, AVID, integrating technology, new teacher training, and standards based instruction. Five professional development days were scheduled at the beginning of the year with an additional 3 days scheduled mid-year for instructional staff. In addition, three days were added for staff new to the district to ensure knowledge of district structures and expectations for implementation of district wide strategy implementation in combination with Dual Immersion and Special Education training.

2023-2024 Professional Development: District-wide annual training included mandatory policies, procedures, and safety through Get Safety Trained- Sexual Harassment; Child Abuse Prevention; Bloodborne Pathogen Awareness & Prevention; Injury and Illness Prevention; Pesticide Awareness; and Homeless/Foster Program Training from the district's Director of Support Services McKinney-Vento and Foster Youth Liaison to ensure state and federal program requirements. Further, Dual Immersion and Special Education training was also provided to staff as pertinent. Strengthening efforts that support the board of trustees' equity statement, staff received training on Restorative Practices including PBIS and RULER as well as training on Social Emotional Behavior to provide a foundation for Multi-Tiered Systems of supports as a refined referral process was initiated this year during part of the five professional development days scheduled at the beginning of the year including aligning of diagnostically determined interventions for Tier 2 and Tier 3 social, emotional, behavioral, and academic needs. Tiered and targeted professional development is being tailored and implemented to address areas of need as identified from

Professional Development

surveys, district walkthroughs, and outcomes from the Continuous Improvement Process (CIP) and root cause analyses focusing on the promotion of effective Tier I instruction district wide. Teachers on Special Assignment support classroom discipline, AVID, integrating technology, new teacher training, and standards based instruction. An intentional focus on Professional Learning Teams throughout the school year and an ongoing math alignment project spanning the past 3 years continues. District walkthroughs with 4 P feedback (provide evidence, praise, pose, propose) continues to guide short term site based professional development in regard to math and English Language Development Instruction.

Instructional staff will have 2 days scheduled mid-year for training. Day 1 to encompass the 7 Stages of Collaboration deepening our Professional Learning Teams (PLTs) as well as a deep data dive guiding instruction using formative assessments. Day 2 to support the district move to Google including technological logistics, dig into our Math Alignment Tool, Math formative assessments, Writing- essential characteristics/goal setting, Narcan Training, and Social Emotional Behavior (SEB) next-steps. Site administrator coaching from Performance Education Partnership to promote site leadership skills leading to implementation of Professional Learning Teams and guiding conversations for clearly scheduled formative assessments designed to inform classroom instruction for "what do students need to know", "how do we know if students know it", "what do we do if they master content", and "what do we do if they don't". Two days of training for school site and district teams from Dr. Luis Cruz from Solution Tree utilizing "Learning by Doing" to promote Professional Learning Community implementation and foster effective Tier I instruction district wide.
