

# BRIDGES IN MATHEMATICS FAMILY SUPPORT

Are you looking for additional Bridge materials to enrich or support your child at home? The Math Learning Center website offers a variety of resources described in the steps listed below:

1

You can access the link to this site from the BCSD Curriculum Page: **BCSD Website – Departments – Curriculum and Instruction – Elementary Math – Bridges Family Support** OR [mathlearningcenter.org](http://mathlearningcenter.org). Click on **Curriculum – Family Support**. The page has a toggle at the top right hand corner to view the information in Spanish.

2

When you get to the Family Support page, click on the grade.

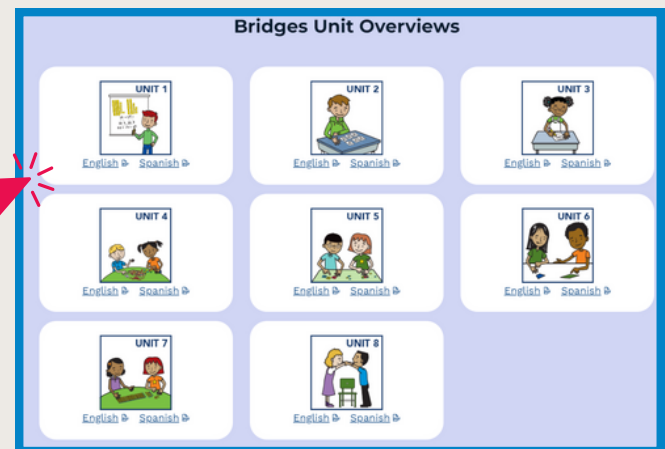

## Support by Grade

Select a grade level

3

After selecting the grade level, scroll down the page. You will see the **Bridges Unit Overviews** available in English and Spanish.

4

Scroll further down the page to see a link to **Math At Home Activities**. This is a collection of activities, organized by mathematical content, uses familiar routines that can be used by students, families, and teachers in a variety of settings.
