**VII. FINANCIAL REPORT**

**A. Review of Financial Report**

Mrs. Temperino reported that we did face some challenges in this year's budget, but the year will come in within budget. Placing a freeze on staff development and supplies, and a savings with health insurance helped offset costs associated with costs for Munis Support our financial software system.

The anticipated end of year fund balance is around \$43,000; approximately \$30,000 of that amount has been committed for the 2020-2021 budget, to help offset what we needed to raise. May not have to use that much of fund balance depending on where revenues fall or experienced other savings.
